UNILEVER CORPORATE HOLDINGS LIMITED

**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2018**

The Directors present their report and the financial statements for the year ended 31 December 2018.

Review of Activities

The Company had been dormant in 2016. In 2017, 200 Office Holders Shares and 200 Security Shares (together the "Shares") in Margarine Union (1930) Limited, a Unilever Group subsidiary, were transferred jointly to the Company and Associated Enterprises Limited, a Unilever Group subsidiary, for nil consideration. The value of the Shares for the Company is nil. The Shares provide certain rights to third parties in respect of a historical re-organisation of Margarine Union (1930) Limited. No liability exists or is anticipated in respect of the Shares and, whilst the Company might be included in any claim related thereto, the liability for any claim would be with Margarine Union (1930) Limited and supported by Unilever PLC.

The Company continued to hold its investment in Margarine Union but had no transactions during the year. All the out of pocket expenses of the Company were borne by the parent company or a fellow subsidiary.

DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the

Dividend paid in the year amounted to £ Nil (2017: £Nil).

The Company made no donations or incurred any political and charitable expenditure during the year (2017: £Nil).

FUTURE DEVELOPMENTS

The Directors consider that, in the conditions prevailing during the year, the development of the Company's business and its financial position at the end of the year were satisfactory. The Directors do not expect any development in the Company's business in the coming year which is significantly different from its present activities.

PRINCIPAL RISKS AND UNCERTAINTIES

The management of the business and the execution of the Company's strategy are subject to a number of risks. The key business risks and uncertainties affecting the Company are subject to, and how they are managed, in the context of the Unilever Group as a whole is provided in the Unilever Group published annual report for the year ended 31 December 2018.

**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2018**

FINANCIAL KEY PERFORMANCE INDICATORS

UNILEVER CORPORATE HOLDINGS LIMITED

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF UNILEVER CORPORATE HOLDINGS LIMITED**

Opinion

We have audited the financial statements of Unilever Corporate Holdings Limited ("the Company") for the year ended 31 December 2018 which comprise the Profit and Loss Account and Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its results for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 Reduced Disclosure Framework; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The Directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. In our evaluation of the Directors' conclusions, we considered the inherent risks to the Company's business model, including the impact of Brexit, and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this Auditor's Report is not a guarantee that the Company will continue in operation.

Directors' Report

The Directors are responsible for the Directors' Report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the Directors' Report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the Directors' Report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to take advantage of the small companies exemption from the requirements to prepare a Strategic Report.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 1, the Directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an Auditor's Report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Company is a private company incorporated, domiciled and registered in England and Wales. The registered number is 4364318 and the registered address is Unilever House, 100 Victoria Embankment, London, EC4Y 0DY, United Kingdom.

The Company is exempt by virtue of Section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements were prepared in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' ("FRS 101"). The amendments of FRS 101 (2014/15 Cycle) issued in July 2015 and effective immediately have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Accounting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has been set out below where advantages of the FRS 101 disclosure exemptions has been taken.

The Company's ultimate parent undertaking, Unilever PLC, includes the Company in its consolidated financial statements. The consolidated financial statements of Unilever PLC are prepared in accordance with International Financial Reporting Standards and provided in the published Unilever PLC Annual Report, available at www.unilever.com.

In these financial statements, where applicable, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- A Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital, tangible fixed assets, intangible assets and investment properties;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs;
- Disclosures in respect of compensation of Key Management Personnel; and
- Disclosures of transactions with a management entity that provides key management personnel services to the Company.

As the consolidated financial statements of Unilever PLC includes equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures where applicable:

- IFRS 2 Share Based Payments in respect of group settled share based payments;

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. ACCOUNTING POLICIES (continued)

- Certain disclosures required by IAS 36 Impairment of assets in respect of the impairment of goodwill and indefinite life intangible assets;
- Disclosures required by IFRS 5 Non-current Assets Held for Sale and Discontinued Operations in respect of the cash flows of discontinued operations;
- Certain disclosures required by IFRS 3 Business Combinations in respect of business combinations undertaken by the Company; and
- Certain disclosures required by IFRS 13 Fair value measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 101 in its next financial statements.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

1.2 CONSOLIDATION

The Company is a wholly-owned subsidiary of Unilever PLC. It is included in the consolidated financial statements of Unilever Group which are publicly available. Therefore, the Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

1.3 MEASUREMENT CONVENTION

The financial statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: *none*.

1.4 GOING CONCERN

When preparing financial statements, management makes an assessment of the Company's ability to continue as a going concern. The Company shall prepare financial statements on a going concern basis unless management either intends to liquidate the Company or to cease trading, or has no realistic alternative but to do so. When management is aware, in making its assessment, of material uncertainties related to events or conditions that may cast significant doubt upon the Company's ability to continue as a going concern, the Company shall disclose those uncertainties. When the Company does not prepare financial statements on a going concern basis, it shall disclose that fact, together with the basis on which it prepared the financial statements and the reason why the Company is not regarded as a going concern.

The Directors, having made appropriate enquiries, have a reasonable expectation that the Company has adequate resources to continue operational existence for the foreseeable future, and that is therefore appropriate to prepare the financial statement on a going concern basis.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. ACCOUNTING POLICIES (continued)**1.5 TRADE AND OTHER CURRENT RECEIVABLES**

Trade and other current receivables are initially recognised at fair value plus any directly attributable transaction costs. Subsequently these assets are held at amortised cost, using the effective interest method and net of any impairment losses.

On 1 January 2018, the Company adopted IFRS 9 'Financial Instruments', which replaced IAS 39 'Financial Instruments – Recognition and Measurement'. As there was no material impact from the adoption of this standard, the Company has not restated the comparative information relating to prior years. This standard introduces new requirements in two areas:

Classification and measurement

Financial assets are now classified based on

1. the objective of the Company in holding the asset and
2. the contractual cash flows.

On 1 January 2018, the Company reclassified its financial assets to the new categories based on the Company's reason for holding the assets and the nature of the cash flows from the assets.

Impairment

A new expected credit loss model is used for calculating impairment on financial assets. A loss event does not have to occur before credit losses are recognised.

From 1 January 2018, the Company implemented an expected credit loss impairment model for financial assets. For trade receivables, the calculation methodology has been updated to consider expected losses based on ageing profile. The adoption of the expected loss approach has not resulted in a material change in impairment provision for any financial asset.

1.6 FOREIGN CURRENCY TRANSLATION*Functional and presentation currency*

The Company's functional and presentational currency is GBP.

Transactions and balances

Transactions in foreign currencies are translated to the Company's functional currencies at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. ACCOUNTING POLICIES (continued)

arising on translation are recognised in the Profit and Loss Account (except for differences arising on the retranslation of qualifying cash flow hedges, which are recognised in Other Comprehensive Income).

1.7 NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS OF EXISTING STANDARDS THAT ARE NOT YET EFFECTIVE AND HAVE NOT BEEN EARLY ADOPTED BY THE GROUP

All standards or amendments to standards that have been issued under FRS 101 and are effective from 1 January 2019 onwards are not applicable to the Company.

UNILEVER CORPORATE HOLDINGS LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

2. JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Estimates and judgements are continually evaluated and are based on historical experience and other factors including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

Impairment of debtors

The Company makes an estimate of the recoverable value of the debtors. When assessing impairment of debtors, management considers factors including the ageing profile of receivables and historical experience.

3. AUDITORS' REMUNERATION

The fees for KPMG LLP (and its associates, if applicable) in respect of the statutory audit for the current year are borne by a fellow Unilever Group company, Unilever U.K. Central Resources Limited.

| | 2018 | 2017 |
|-------------------------------------|-------|-------|
| | £ | £ |
| Audit of these financial statements | 2,885 | 2,885 |

The Company has taken advantage of the exemption not to disclose amounts paid for non-audit services as these are disclosed in the group accounts of the parent company.

4. EMPLOYEE INFORMATION

No employees were employed by the Company during 2018 (2017: no employees) and no employee costs were incurred by the Company (2017: £Nil).

5. DIRECTORS' REMUNERATION

No remuneration (2017: £Nil) was paid by the Company to the Directors, including the Chairman. All Directors are employed by Unilever U.K. Central Resources Limited or Unilever PLC and are remunerated by those companies in respect of their services to the Unilever Group as a whole. None of these costs are charged to the Company.

| Amounts owed by Group undertakings | 1 | 1 |
| Total | <u>1</u> | <u>1</u> |

Amounts owed by Group undertakings include balances with Unilever U.K Central Resources Limited which are interest bearing, unsecured and payable on demand. There is no intention to recall the repayment of this outstanding balance within a year as of 31 December 2018.

We do not consider the fair values of trade and other current receivables to be significantly different from their carrying values. Concentrations of credit risk with respect to trade receivables are limited, due to the customer primarily being Group Company's. Our historical experience of collecting receivables, supported by the level of default, is that credit risk is low and so trade receivables are considered to be a single class of financial assets. Impairment for trade receivables are calculated for specific receivables with known or anticipated issues affecting the likelihood of recovery and for balances past due with a probability of default based on historical data as well as relevant forward-looking information.
