Notes to the Abbreviated Accounts for the Period Ended 30th April 2012

1. Accounting policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standards for Smaller entities

Turnover policy

Turnover consisted of income received for Plumbing and Electrical Work during the year.

Tangible fixed assets depreciation policy

Depreciation is calculated on a straight line basis at the following rates: Plant & Machinery 20% per annum Motor Vehicles 25% per annum

Valuation information and policy

Stock and work in progress are valued on bases which are consistent from one period to another. Work in progress is valued on a basis which includes an appropriate proportion of overhead expenses. Where any contracts are expected to be unprofitable, full provision is made for anticipated losses. Cash received on account is deducted from work in progress.

Other accounting policies

Provision is made for deferred taxation of the liability method at the current rate of Corporation Tax on the excess of the book value of those fixed assets qualifying for taxation allowances over their written down value for tax purposes, except when the tax benefit can be expected with reasonable probability to be retained for the foreseeable future.
