1. STATUTORY INFORMATION

A+dp Architecture+Design Partnership LLP is registered in England and Wales. The LLP's registered number and registered office address can be found on the General Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the requirements of the Statement of Recommended Practice, Accounting by Limited Liability Partnerships. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on the going concern basis which assumes that the partnership will continue in operational existence for the foreseeable future.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on reducing balance
Motor vehicles	- 25% on reducing balance

Members' participation rights

Profits are automatically divided as they arise on a pre-determined basis. As the LLP does not have an unconditional right to refuse payment, the amounts arising that are due to members are in the nature of the liabilities. They are therefore treated as an expense in the relevant year and are charged to the Profit and Loss Account within 'Members' remuneration treated as an expense'.

All amounts due to members are classified as liabilities and are presented in the Balance Sheet within 'loans and other debts due to members'.

Post retirement payments to former members

On retirement of a member amounts previously included within 'Loans and other debts due to members' are transferred to creditors as 'Post retirement payments to former members'. Any surplus shown on the former member's current account is payable as soon as is reasonably practicable as per the terms set out in the partnership agreement. The balance of the former member's capital account after deducting any shortfall on the current account is usually payable over five years from the date of retirement as per the terms set out in the partnership agreement.
