**2 Accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below and have been consistently applied within the same accounts.

***Basis of preparation***

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies.

There were no material departures from the standard.

These financial statements are presented in sterling, which is the functional currency of the Company and rounded to the nearest £1.

The Company did not trade during the current & preceding year and has made neither a profit or loss or any other comprehensive income.

***Debtors***

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

***Share capital***

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.
