TU Fund Managers Limited

Strategic Report *(continued)*

Year ended 31 March 2021

The directors have pleasure in presenting their strategic report and the audited financial statements of the Group for the year ended 31 March 2021.

PRINCIPAL ACTIVITY AND BUSINESS REVIEW

The principal activity of the group during the year was the promotion of investments via our subsidiary within the group, TU Financial Management Services Ltd, which is authorised and regulated by the Financial Conduct Authority.

PERFORMANCE REVIEW

The group profit before tax and gift aid payment for the financial year was £137,025 (2020: £109,683). A gift aid payment of £150,000 was approved for payment to the TUUT Charitable Trust, the parent company of TU Fund Managers Limited (2020: £150,000).

The directors consider the key performance indicators are those that communicate the financial performance and strength of the company as a whole, these being turnover, profitability and funds under management. The results and the change in funds under management have been reported above.

FINANCIAL INSTRUMENTS

The group's principal financial instruments comprise authorised unit trust investments, bank balances, trade creditors and trade debtors. The main purpose of these instruments is to raise funds for and to finance the group's operations.

In respect of the authorised unit trust investments the group ensures that there is a ready market for the sale of units and actively monitors their price.

Transactions in financial instruments result in the company assuming or transferring to another party one or more of the financial risks described below.

PRINCIPAL RISKS AND UNCERTAINTIES

The Group's Risk & Compliance Committee provides the Board with regular updates on the key risk and compliance activity and issues arising during the year. Specifically, the Key Risk Map is reviewed regularly by this Committee and reported to the Board.

The principal risks and uncertainties facing the Group, (those assessed as high) remain market conditions – i.e. a protracted downturn in equity markets could impact profitability; and client retention – i.e. a loss of one or more larger clients would reduce assets under management, which in turn would have an adverse effect upon fee income.

All other risks have either been assessed as "medium" or "low" and remain stable. It should be specifically noted that the Firm's operational resilience has not been materially impacted by the Covid - 19 lockdown, with key individuals being able to carry out their activities remotely. All the Firm's risks continue to be closely monitored by the Board.

INTEREST RATE RISK

The Group does not have any significant exposure to interest rate risk.

CREDIT RISK

The Group monitors credit risk closely and considers that its current policies of credit checks meets its objectives of managing exposure to credit risk.

The Group has no significant concentrations of credit risk. Amounts shown in the balance sheet best represent the maximum credit risk exposure in the event other parties fail to perform their obligations under financial instruments.

TU Fund Managers Limited

Strategic Report *(continued)*

Year ended 31 March 2021

LIQUIDITY RISK

Liquidity risk is managed by maintaining a balance sufficient to meet the funds required for the company's operations. The Group makes use of money market facilities where funds are available.

CURRENCY RISK

Due to the nature of the financial instruments used by the Group there is no exposure to price or currency risk.

The Group's Risk & Compliance Committee consider the wider business risk facing the group as well as the financial risks arising in the normal course of business and sets policies for managing each of these risks to minimise potential adverse effects on the group's performance.

DIRECTORS DUTIES, GOVERNANCE REPORT

The Directors of the Company and Group, as those of all the UK Companies, must act in accordance with a set of general duties. These duties are detailed in section 172 of the UK Companies Act 2006.

Directors of the Company and Group must act in a way they consider in good faith, would be most likely to promote the success of the Company for the benefit of its ultimate sole shareholder, The T.U.U.T. Charitable Trust. As part of their induction, new Directors are briefed on their duties by the Compliance Officer.

OUR PEOPLE

The Group and Company is committed to being a responsible business. Our business is aligned with the expectations of our people (employees, directors and consultants) and as such, regular communications both formal and informal are held.

BUSINESS RELATIONSHIPS

We understand the importance of developing and maintaining good client relationships which can be demonstrated by the loyalty of our well established client base. We also value our suppliers and maintain regular dialogue as business needs change.

COMMUNITY, ENVIRONMENT AND ENGAGEMENT WITH OUR SHAREHOLDER

The Company is wholly owned by The T.U.U.T. Charitable Trust. As such all management profits are gifted annually to the charity. Our aim is to support the most vulnerable in society by making donations to registered charities that bring a meaningful contribution to the people helped. This has included national and local campaigns, such as food banks and educational support for the disadvantaged as well as global campaigns following the devastating impact of national disasters or conflicts.

The Chairman and General Manager of the Company regularly attend the charity's trustees meetings to report on business activity and how this influences our ability to meet regular gift aid commitments.

FUTURE DEVELOPMENTS

The Group continues to focus on developing new business opportunities in its niche market. However, during the current pandemic, the key focus has been to maintain regular contact with clients as many seek reassurance during the current uncertainty.

This report was approved by the board of directors on 19/7/2021 and signed on behalf of the board by:

M Colverd
Company Secretary

TU Fund Managers Limited

Directors' Report

Year ended 31 March 2021

The directors present their report and the audited financial statements of the group for the year ended 31 March 2021.

Directors

The directors who served the company during the year were as follows:

The Baroness Prosser, OBE
P Noon, OBE
C Carberry, CBE
D Sachon - Chairman
G Nichols
J Whelan
J Hannett
L Harrison
M Lawson
W S Kenny

Dividends

The directors do not recommend the payment of a dividend.

Events after the end of the reporting period

There have been no significant events affecting the Group or Company since the year end.

Going concern

The directors have reviewed the forecasts for the Group and Company and have a reasonable expectation that the Group and Company has adequate resources to continue as a going concern for the foreseeable future, being at least twelve months from the date these financial statements have been approved. The Group and company therefore continue to adopt the going concern basis in preparing its financial statements. See note 3 also.

Disclosure of information in the strategic report

The business review, principal risks and uncertainties and the financial key performance indicators are covered in the strategic report.

Directors' responsibilities statement

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and the profit or loss of the group for that period.

TU Fund Managers Limited

Directors' Report *(continued)*

Year ended 31 March 2021

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the group and the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the group and the company's auditor is aware of that information.

This report was approved by the board of directors on 19/7/2021 and signed on behalf of the board by:

M Colverd

TU Fund Managers Limited

Independent Auditor's Report to the Members of TU Fund Managers

Year ended 31 March 2021

Opinion

We have audited the financial statements of TU Fund Managers (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 March 2021 which comprise the consolidated statement of comprehensive income, consolidated statement of financial position, company statement of financial position, consolidated statement of changes in equity, company statement of changes in equity, consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 March 2021 and of the group's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

TU Fund Managers Limited

Independent Auditor's Report to the Members of TU Fund Managers *(continued)*

Year ended 31 March 2021

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

TU Fund Managers Limited

Independent Auditor's Report to the Members of TU Fund Managers *(continued)*

Year ended 31 March 2021

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the Company's business, controls, legal and regulatory frameworks, laws and regulations and assessed the susceptibility of the Company's financial statements to material misstatement from irregularities, including fraud, are instances of non-compliance with laws and regulations.
- Based on this understanding we designed our audit procedures to detecting irregularities, including fraud. Testing undertaken included making enquiries on the management; journal entry testing; review of bank letters, board minutes and any correspondence received from regulatory bodies; reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations. These procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the group's internal control.
-

TU Fund Managers Limited

Independent Auditor's Report to the Members of TU Fund Managers *(continued)*

Year ended 31 March 2021

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's or the parent company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group or the parent company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

TU Fund Managers Limited
Notes to the Financial Statements
Year ended 31 March 2021

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office and principal place of business is Congress House, Great Russell Street, London, WC1B 3LQ, United Kingdom.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires Group management to exercise judgment in applying the Group's accounting policies (see note 3).

In preparing the consolidated financial statements, advantage has been taken of the disclosure exemption available in FRS 102 not to disclose related party transactions between wholly owned parts of the group.

The financial statements are prepared in Sterling which is the functional currency of the entity.

Going concern

The directors have reviewed the forecasts for the Group and Company and have a reasonable expectation that the Group and Company has adequate resources to continue as a going concern for the foreseeable future, being at least twelve months from the date these financial statements have been approved. The Group and company therefore continue to adopt the going concern basis in preparing its financial statements.

Disclosure exemptions

In preparing the separate financial statements of the parent company, advantage has been taken of the following disclosure exemptions available in FRS 102:

- (a) Disclosures in respect of each class of share capital have not been presented.
- (b) No cash flow statement has been presented for the company.
- (c) Disclosures in respect of financial instruments have not been presented.
- (e) No disclosure has been given for the aggregate remuneration of key management personnel.

The parent company has applied the exemption contained in section 408 of the Companies Act 2006 and has not presented its individual profit and loss account.

TU Fund Managers Limited

Notes to the Financial Statements *(continued)*

Year ended 31 March 2021

3. Accounting policies *(continued)*

Consolidation

The consolidated financial statements present the results of Group and its own subsidiaries ("the Group") as if they formed a single entity. Intercompany transactions and balances between group companies are therefore eliminated in full.

The consolidated financial statements incorporate the results of business combinations using the purchase method. In the Consolidated Statement of financial position, the acquiree's identifiable assets, liabilities and contingent liabilities are initially recognised at their fair values at the acquisition date. The results of acquired operations are included in the Consolidated statement of comprehensive income from the date on which control is obtained.

Judgements and key sources of estimation uncertainty

The preparation of financial statements under FRS 102 requires the Company to make estimates and assumptions that affect the application of policies and reported amounts. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and assumptions which have a risk of causing a material adjustment to the carrying amount of assets and liabilities are discussed below.

Management recharges

The Management recharge is determined by the allocation of the total of director fees and wages and salaries expenses incurred in the period by TU Fund Managers Ltd, by 95%, and recharging that amount to TU Financial Management Services Ltd. This is based on trading activity levels in the respective companies and hours spent by employees and directors undertaking services for these entities.

Revenue recognition

The turnover shown in the profit and loss account represents commissions received for investment advice.

Turnover also represents amounts received and income earned which have yet to be received. Turnover is stated net of VAT and trade discounts.

Turnover from sponsorship fees and commissions is generally recognised as income in the period in which the performance obligation has been satisfied.

TU Fund Managers Limited
Notes to the Financial Statements *(continued)*
Year ended 31 March 2021

3. Accounting policies *(continued)*

Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Operating leases

Rentals payable under operating leases are charged to the income statement on a straight-line basis over the term of the relevant lease. Benefits received and receivable as an incentive to enter into an operating lease are also spread on straight-line basis over the lease term.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	-	10 years straight line
Equipment	-	3 years straight line

Investments

Fixed asset investments represent investments in funds and are initially recorded at cost, and subsequently at fair value with changes in fair value being recognised in other comprehensive income.

Subsidiary investments are initially recorded at cost, and subsequently at fair value with changes in fair value being recognised in other comprehensive income.

TU Fund Managers Limited
Notes to the Financial Statements *(continued)*

Year ended 31 March 2021

3. Accounting policies *(continued)*

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

Financial assets

Financial assets are recognised when the entity becomes a party to the contractual provisions of the financial instrument. The Company does not hold any third party financial assets.

Trade and other receivables

Trade receivables are amounts due from customers for merchandise sold or services performed in the ordinary course of business. If collection is expected in one year or less, they are classified as current assets. If not, they are presented as non-current assets.

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost less provision for impairment.

Trade and other payables

Obligations to pay for goods/services; current and non-current are initially recognised at fair value and are subsequently measured at amortised costs.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

4. Gift aid

Gift aid payments relate to amounts donated to the TUUT Charitable Trust; a charity registered in England. The directors have agreed to pay £150,000 (2020: £150,000) for gift aid payments in the year.
