1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Service management

Income represents contributions from lessees to meet service management expenses and it is therefore considered that no corporation tax is payable on any surplus.

Accounts presentation

The strict format of the Companies Act 2006 has not been followed in respect of the profit and loss account because, in the opinion of the directors, the presentation of an income and expenditure account is required in order to give a true and fair view of the company's activities, which are not carried on with a view to profit.
