## Directors' Report

The directors present their report and the financial statements for the year ended 31 March 2013

### Principal activities

The principal activity of the Company is that of an investment holding company

### Business review

The Company has net current liabilities. However, as detailed in note 1 to the financial statements a parent undertaking, Virgin Holdings Limited, has formally indicated that it is its present intention to provide sufficient funding to the Company to enable it to meet its liabilities as they fall due, for at least the next twelve months. The directors have no reason to believe that the parent company will not be in a position to provide this support.

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

### Results and dividends

The loss for the financial year, amounted to £20,298,000 (2012 - profit £12,000)

The directors do not recommend the payment of a dividend (2012 - £nil)

### Directors

The directors who served during the year were

I P Woods

C R Stent (resigned 21 June 2013)

R P Blok (appointed 21 June 2013)

N A Fox (appointed 21 June 2013)

### Provision of information to auditor

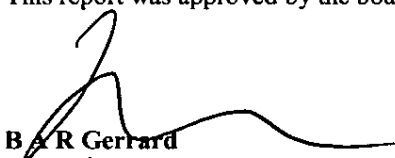

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that

- so far as that director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the Company's auditor in connection with preparing its report and to establish that the Company's auditor is aware of that information.

### Auditor

Pursuant to Section 487 of the Companies Act 2006 the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office.

This report was approved by the board on 15 November 2013 and signed on its behalf

## **Directors' Responsibilities Statement**

*For the Year Ended 31 March 2013*

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Respective responsibilities of directors and auditor**

Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at [www.frc.org.uk/auditscopeukprivate](http://www.frc.org.uk/auditscopeukprivate).

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 March 2013 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

## Notes to the Financial Statements

### 1. Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements except as noted below

#### 1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards

The financial statements have been prepared on a going concern basis in view of the fact that the parent undertaking Virgin Holdings Limited has formally indicated that it is its present intention to provide sufficient funding to the Company, to enable it to meet its liabilities as they fall due, for at least the next twelve months

The directors have no reason to believe that the parent company will not be in a position to provide the support referred to above and, accordingly, they have prepared the financial statements on the going concern basis

The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements

As the Company is a wholly owned subsidiary of Virgin Group Holdings Limited, the Company has taken advantage of the exemption contained in Financial Reporting Standard 8 and has therefore not disclosed transactions or balances with wholly owned subsidiaries which form part of the group

#### 1.2 Investments

Investments held as fixed assets are shown at cost less provision for impairment

#### 1.3 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse

Deferred tax assets and liabilities are not discounted

#### Factors that may affect future tax charges

Details of the Company's total recognised and unrecognised deferred tax assets at the year end (and prior year end) are shown in the table in the balance sheet note below

A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted

A reduction in the rate from 24% to 23% (effective from 1 April 2013) was substantively enacted on 3 July 2012. A rate of 23% has been used within the deferred tax calculations within these financial statements

Further reductions to the main rate are proposed to reduce the rate to 21% from 1 April 2014 and to 20% by 1 April 2015. Neither of these expected rate reductions had been substantively enacted at the balance sheet date and, therefore, are not included in these financial statements
