NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2015

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of all rents received, along with electric invoiced and other services supplied, excluding value added tax where applicable.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property - Straight line over 15 years and not provided
Plant and machinery - 15% on reducing balance

The investment properties held by the company at 5 April 2015 are included at cost value and not market value. This does not follow the treatment as set out in the FRSSE 6.51.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Non depreciation of freehold property

Freehold land and buildings at the time of purchase are not depreciated, as in the opinion of the directors, their residual value is expected to at least equate to their historical cost, and consequently any charge for depreciation would be immaterial. Property improvements purchased since are however depreciated straight line over 15 years.
