Diamond Resorts European Collection Limited

Report of the directors for the year ended 31 December 2015

The directors present their report together with the audited financial statements for the year ended 31 December 2015.

Principal activities

The company is contracted to perform the role of an owners club for the purchasers of points rights from Diamond Resorts (Europe) Limited, the founder member of the company and its distributors. Diamond Resorts (Europe) Limited is a subsidiary of Diamond Resorts (Group Holdings) Plc, whose ultimate parent undertaking is Diamond Resorts International Inc.

Owners of points rights are able to use those points rights in exchange for accommodation at holiday properties. The legal interests in holiday properties developed or acquired by the Diamond Group are placed in trust by the group and held by an independent trustee, First National Trustee Company Limited, thereby protecting the interests of the owners of the points rights.

Under the terms of a management agreement, the company has assigned its responsibilities for the management and administration of its operations to a management company, Diamond Resorts (Europe) Limited. The members pay annual maintenance fees to this company and any surplus or deficit in funding is represented by amounts payable or receivable on behalf of Diamond Resorts European Collection Ltd in the balance sheet of that company's accounts.

These arrangements result in the company not trading and therefore neither a profit and loss account nor a statement of recognised gains and losses is presented. Furthermore, the company has no rights to any assets and all its obligations have been assigned to, and assumed by, Diamond Resorts (Europe) Limited under the management agreement.

Director's responsibilities

The directors are responsible for preparing the director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial instruments

The company does not use financial instruments.

Post Balance Sheet Events

Auditors

All of the current directors have taken all the steps that they ought to have taken to make themselves aware of any information needed by the company's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

BDO LLP offer themselves for reappointment as auditors in accordance with the Companies Act 2006.

In preparing this directors report advantage has been taken of the small companies' exemption.
