DIRECTORS' REPORT

The directors submit their report and consolidated financial statements of BTQ Limited for the year ended 31 December 2011

PRINCIPAL ACTIVITIES AND REVIEW OF THE BUSINESS

The group's principal activities during the year continued to be the design, manufacture, supply and care of garments and equipment for people at work. The directors consider the results for the year to be satisfactory.

RESULTS, DIVIDENDS, KPI'S AND FUTURE DEVELOPMENTS

The profit for the year, after taxation, amounted to £796,000 (2010 £1,049,000). The directors recommended and paid a dividend amounting to £25,440 (2010 £31,800) during the year, and since the balance sheet date have proposed a final dividend of £76,320 (2010 £101,760) in respect of the year's results.

Demand for the group's products and services continued to be strong during the year with a good spread of overseas and UK customers, and the successful roll-out of several managed service contracts. The directors remain confident that the prospects for future trading continue to be good.

Key performance indicators

Sales decrease of 14.3% (2010 growth 17.4%)

Return on sales of 6.1% (2010 6.5%)

PRINCIPAL RISKS

The board of BTQ Limited, via the boards of the group's operating companies, considers the principal risks of the business as follows:

Market Conditions

Good working relations are maintained with both the group's supply chain and customers in order to monitor market changes. In each market, competitor's performance, products and services are monitored.

Each company monitors the proportion of its turnover with its largest customers to ensure that the company does not become over dependant on any single customer or group of companies.

Fixed Assets

Authority limits are set by the boards annually and monitored throughout the year for the purchase of fixed assets. Appropriate security arrangements and insurances are in place.

Debtors and Credit Risk

The principal risk arises from trade debtors. Credit limits and credit terms are based on a combination of payment history and third party credit references. Where relevant, overseas debtor risks are insured by an appropriate insurance policy. All credit limits are reviewed regularly taking account of debt ageing and credit history. Credit control procedures are in place at order entry and despatch stages.

The boards believe that the above controls and spread of customers are a safeguard against the risk of default.

Stocks

Authorisation limits are in place for the purchase of raw materials together with appropriate reorder levels. All categories of stock are monitored frequently to take account of market changes and customers' requirements.

Ageing of stock is closely monitored and due allowance made for obsolete and slow moving items. Insurance covers are in place for stocks.

Exchange Rates

Each board, as appropriate, monitors at least monthly its currency exposure. Suitable forward exchange contracts are placed to minimise the effects of exchange rate movements.

DIRECTORS' REPORT *(continued)*

DIRECTORS

The current directors are shown on page 1, there were no changes during the year or following the year end

CHARITABLE AND POLITICAL CONTRIBUTIONS

During the year the group made no political donations but did make various charitable donations totalling £2,485 (2010 £2,545)

DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the group for that period

In preparing those financial statements, the directors are required to

- a select suitable accounting policies and then apply them consistently,
- b make judgements and accounting estimates that are reasonable and prudent,
- c prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's and company's transactions and disclose with reasonable accuracy at any time the financial position of the group and the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

PROVISION OF INFORMATION TO THE AUDITOR

The directors who were in office on the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditor is unaware. Each of the directors has confirmed that they have taken all of the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

AUDITOR

A resolution to reappoint Baker Tilly UK Audit LLP, Chartered Accountants, as auditors will be put to the members at the annual general meeting. Baker Tilly has indicated its willingness to continue in office

By order of the Board

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BTQ LIMITED

We have audited the group and parent company financial statements (the "financial statements") on pages 5 to 22. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As more fully explained in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/private.cfm.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the group's and parent company's affairs as at 31 December 2011 and of the group's profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the parent company financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

BTQ Limited

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2011

1 ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards

BASIS OF CONSOLIDATION

The group financial statements consolidate the financial statements of BTQ Limited and all its subsidiary undertakings drawn up to 31 December each year. No profit and loss account is presented for BTQ Limited as permitted by section 408 of the Companies Act 2006

GOODWILL

Goodwill arising on acquisitions prior to 31 December 1997 was set off directly against reserves. Goodwill previously eliminated against reserves has not been reinstated on implementation of FRS 10

Positive goodwill arising on acquisitions since 1 January 1998 is capitalised, classified as an asset on the balance sheet and amortised on a straight line basis over its useful economic life up to a presumed maximum of 20 years. It is reviewed for impairment at the end of the first full financial year following the acquisition and in other periods if events or changes in circumstances indicate that the carrying value may not be recoverable.

If a subsidiary, associate or business is subsequently sold or closed, any goodwill arising on acquisition that was written off directly to reserves or that has not been amortised through the profit and loss account is taken into account in determining the profit or loss on sale or closure.

FIXED ASSETS AND DEPRECIATION

All fixed assets are initially recorded at cost.

Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost of each asset over its expected useful life as follows:

Freehold buildings	-	40-50 years
Plant, equipment and vehicles	-	3-10 years

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

ASSETS HELD FOR LEASE

Any leased assets are initially recorded at cost as a fixed asset, and are written off over the period of the lease. The income generated from these assets, is recognised in the profit and loss account, evenly over the period of the lease.

INVESTMENTS

Investments in subsidiary undertakings are recorded at cost.

LONG TERM CONTRACTS

Long term contracts are assessed on a contract by contract basis and reflected in the profit and loss account by recording turnover and related costs as contract activity progresses. Turnover is ascertained in a manner appropriate to the stage of completion of the contract, and credit taken for profit earned to date when the outcome of the contract can be assessed with reasonable certainty. The amount by which turnover exceeds payments on account is classified as "amounts recoverable on contracts" and included in debtors, to the extent that payments on account exceed relevant turnover, the excess is included as a creditor.

BTQ Limited

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

for the year ended 31 December 2011

1 ACCOUNTING POLICIES *(continued)*

STOCKS

Stocks are stated at the lower of cost and net realisable value. Cost includes all costs incurred in bringing each product to its present location and condition, as follows

Raw materials, consumables and goods for resale	-	purchase cost on a first-in, first-out basis
Work in progress and finished goods	-	cost of direct materials and labour plus attributable overheads based on a normal level of activity

Net realisable value is based on estimated selling price less any further costs expected to be incurred to completion and disposal

DEFERRED TAXATION

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more, or a right to pay less tax in the future have occurred, with the following exceptions

- provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold,
- deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted

Deferred tax is measured on an undiscounted basis at the rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantially enacted at the balance sheet date

FOREIGN CURRENCIES

Transactions in foreign currencies are recorded at the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities at the balance sheet date are translated at the rate of exchange ruling at the balance sheet date

On consolidation, the balance sheets of the overseas subsidiary undertakings are translated at the rate of exchange ruling at the balance sheet date and the profit and loss accounts are translated at the average rate for the year. The exchange difference arising on the retranslation of opening net assets is taken directly to reserves. All other translation differences are taken to the profit and loss account

OPERATING LEASES

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term

PENSION AND OTHER POST RETIREMENT BENEFITS

Only defined contribution schemes are operated. The assets of these schemes are held separately from those of the group. The annual contributions payable are charged to the profit and loss account

2 TURNOVER

Turnover, which is stated net of value added tax, represents amounts invoiced to third parties. Turnover is attributable to the continuing activities of, the design, manufacture, supply, and care of garments for people at work.

An analysis of turnover is given below

	2011 £'000	2010 £'000
United Kingdom	9,451	10,598
Overseas	14,042	16,810
	<u>23,493</u>	<u>27,408</u>

The directors have taken advantage of the exemption permitted by SSAP25 Segmental Reporting, whereby the results of the Group have not been disclosed by segment since it is believed such a disclosure would be seriously prejudicial to the interests of the Group.

for the year ended 31 December 2011

21 CAPITAL COMMITMENTS

Amount contracted for but not provided in the group financial statements amounted to £nil (2010 £nil)

22 PENSION SCHEMES

The group operates two pension schemes

In the UK a defined contribution scheme is operated. The assets of the scheme are held separately from those of the group. The contributions to the scheme are charged to the profit and loss account as they become payable.

A US trading subsidiary operates an elective contribution plan, in which the subsidiary contributes an amount of 25% of the employees' contributions up to 5% of their compensation. The contributions to the scheme are charged to the profit and loss account as they become payable.

23 RELATED PARTY TRANSACTIONS

The company is taking advantage of the exemption included in FRS8 not to disclose transactions between companies which are part of the BTQ Group.

During the year dividends were paid to the following directors

	2011 £'000	2010 £'000
A D Dorrell	53	62
Mrs C I Dorrell	16	19
Mrs A C James	27	31
	<u>96</u>	<u>112</u>

In the opinion of the directors there are no other related party transactions which are required to be disclosed under the requirements of FRS8.

24 CONTINGENT LIABILITIES

A US subsidiary has had two product liability lawsuits brought against it specifying an asbestos related liability. As the company has never manufactured any product containing asbestos, management believe these claims are without merit and therefore has not provided any sums with regard to these claims.

The same company has also had a product liability lawsuit brought against it specifying personal injuries caused by the defective manufacture of bunker pants. Management believe the claim is without merit and therefore has not provided any sums with regard to this claim.

The same company also has a contingent liability of \$24,273 pertaining to site-work improvements at its new manufacturing site. The company has executed an irrevocable standby letter of credit and placed this amount on deposit at a commercial bank.
