DIRECTORS' AND TRUSTEES' REPORT

The members of Council, who are trustees for the purpose of charity law and directors of the company for the purpose of company law, present their report and financial statements for the year ended 31 March 2012.

NAADAC is constituted as a company limited by guarantee and is governed by its Memorandum and Articles of Association. It was registered as a charity with the Charity Commission on 23rd April 1999. The company information set out on page 1 forms part of this report.

NAADAC is also known as FDAP (Federation of Drug and Alcohol Professionals) and the business of the charity is conducted under this name.

The financial statements comply with current statutory requirements, the Memorandum and Articles of Association and the Statement of Recommended Practice (SORP 2005) 'Accounting and Reporting by Charities' issued March 2005.

OBJECTS OF THE CHARITY

The principal objects of NAADAC are to:

DIRECTORS' AND TRUSTEES' REPORT (Continued)

DIRECTORS AND TRUSTEES (Contd)

The trustees receive no remuneration for their services to NAADAC.

Trustees are elected at the Annual General Meeting and hold office for three years. The council has the power to appoint any person to be a member of Council such members holding office only until the next Annual General Meeting.

ORGANISATION

The trustees meet four or five times per year and oversee the management of the charity. Day-to-day operations are delegated to the Chief Executive, Carol Sharma who reports to the trustees at the Council meetings and in addition, liaises on a regular basis with the chair of trustees and individual trustees as necessary.

REVIEW OF ACTIVITIES AND FUTURE DEVELOPMENTS

Membership

Our individual full membership remained broadly stable over the period despite the effect of the national austerity measures which has reduced the funding for the substance misuse sector.

Affiliate membership has also remained broadly stable with some minor losses throughout the year. This is effected by ever tightening budgets.

Commissioner affiliation has continued to decrease and now stands at 1.

Enquiries about accreditation have increased and some of the bigger organisations are asking all their staff to become accredited. This appears to be a reaction to the tendering and restructuring of services which is widespread currently.

Professional certification

By the end of the financial year the number of counsellors had increased as a result of the organisation changing the accreditation process a number of new counsellors applied quickly to get onto the register by the old process. The new process is now proceeding well and is supported by very active accreditation panels who are meeting regularly and working hard to process applications in a timely manner.

During the year the number of people certified under our Drug and Alcohol Professional certification scheme continued to drop as a result of the change in available qualifications. This section of FDAP accreditation still requires review and re-design in light of recent developments and the 2010 national drug strategy.

During this year we continued to work with BACP to establish a mechanism for meeting the requirements set out by the Commission for Healthcare Regulatory Excellence (CHRE). This work is still ongoing and will bring the counsellor accreditation system closer to BACP. FDAP continues to offer academic accreditation to those institutions which prepare drug and alcohol counsellors. Two institutions have so far completed this process. This accreditation assists with the income of the organisation.

DIRECTORS' AND TRUSTEES' REPORT (Continued)

Professional certification (contd)

Take-up and completion of the Drug and Alcohol Certification remains a problem. The CEO has been working with the Open University assessment service on this matter and the OU has systems in place to assist candidates to complete the assessment programme. FDAP is still in the process of reviewing the drug and alcohol certification system so as to improve take up of this service. The CEO continues to work with The Skills Consortium and other stakeholders and partners to ensure that the resulting process does fully meet the needs of the substance misuse sector. The sector skills council Skills for Justice, has, with the support of the Skills Consortium, received funding to undertake a complete review of the substance misuse workforce, this will result in a comprehensive capability framework for all in the sector and those in generic health and social care whose role includes contact with drug and alcohol users. FDAP has slowed its review of qualifications so as to take advantage of this new framework.

Working with ADFAM, FDAP has developed a new certification system for those who work with families, this is a shared endeavour and will be fully implemented in the next financial year.

The Organisation

This year the CEO was again mandated to continue to explore possible mergers with similar organisations. After due consideration by both boards of trustees, FDAP will commence formal due diligence in relation to merger with Drugscope in the next financial year. This will ensure that the organisation is a going concern.

FDAP remains centrally involved in workforce policy development nationally. Working in partnership with ADFAM and Drugscope a bid was developed and submitted to the Department of Health, to take over the running of the Skills Consortium. This was successful and handover mechanisms from the National Treatment Agency are ongoing. The funding for the three partners starts at £160k in the first year and tapers over the three year period. This funding which will be negotiated on a partner by partner basis next financial year offers even more stability to the organisation.

PUBLIC BENEFIT

The trustees have had regard to the guidelines issued by the Charity Commission relating to public benefit and are satisfied that the charity contains a public benefit. NAADAC exists to provide an accreditation and code of conduct service to drug and alcohol practitioners and counsellors which in turn provides a mechanism which protects the public who use drug and alcohol services.

FINANCIAL REVIEW

Although disappointed to record a deficit the deficit at £9,023 for the year was less than the previous year (£12,144). Measures to increase income and reduce operating costs have been implemented in 2012-13. Unrestricted reserves stand at £11,135 (2011: £20,158) representing about two months' operating expenditure.

At the year end, the charity held no restricted reserves.

INVESTMENT POLICY

Under the Memorandum and Articles of Association the charity has the power to make investments as the trustees see fit. No investments were made during the year and the charity holds no investments.

RESERVES

The policy of the trustees in order to maintain stability, is to maintain at least three month's operating costs in reserve.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the financial activities of the charity and of its financial position at the end of that year. In preparing these accounts, the trustees are required to:

- elect suitable accounting policies and then apply them consistently
- make judgements that are reasonable and prudent
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Acts 1985. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for providing reasonable assurance that the Association is operating efficiently and effectively, the assets are safeguarded against unauthorised use or disposition, proper records are maintained and financial information used in the Association or for publication is reliable, the Association complies with its Memorandum and Articles of Association and relevant laws and regulations and the Association has actively pursued all of its objectives and policies throughout the year.

AUDIT

The trustees consider that the charity is entitled to exemption from the requirement to have an audit under the provisions of Section 477 Companies Act 2006 and confirm that no notice has been received under section 476 from members requiring an audit.

SMALL COMPANY RULES

In preparing this report the trustees have taken advantage of the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

This report was approved by the Council of trustees and board of directors on 20 November 2012 and signed on its behalf by

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
OF NAADAC

I report on the accounts of the charitable company for the year ended 31 March 2012 which are set out on pages 7 to 12.

RESPONSIBLE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The trustees (who are also the directors of the company for the purposes of Company Law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 43(2) of the Charities Act 1993 (of the 1993 Act) and that an independent examination is needed.

Having been satisfied that the charity is not subject to audit under company law and is eligible for independent examination it is my responsibility to

It is my responsibility to

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINERS' REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINERS' STATEMENT

In connection with my examination no matter has come to my attention

1) which gives me reasonable cause to believe that in any material respect, the requirements
- to keep accounting records in accordance with Section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Companies Act 2006 and the Statement of Recommended Practice and Reporting by Charities (revised 2005)

have not been met

or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
