## STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities

We have audited the financial statements of The Western Telegraph Company Limited for the year ended 31 March 2007 which comprise the Profit and Loss Account, the Balance Sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities in respect of Directors' Report and the financial statements on page 3.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements. In addition, we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

## Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

## NOTES TO THE ACCOUNTS

Year ended 31 March 2007

### 1. ACCOUNTING POLICIES

#### Basis of preparation

The financial statements are prepared in accordance with applicable accounting standards and on the historical cost basis

The financial statements have been prepared on a going concern basis. The Directors have reviewed the financial position of the Company, including the arrangements with group undertakings, and believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the going concern basis of preparation being inappropriate.

#### Tax

The charge for tax is based on the result for the year and takes into account tax deferred due to timing differences between the treatment of certain items for tax and accounting purposes.

Deferred tax assets are recognised to the extent that they are regarded as recoverable. Deferred tax assets are regarded as recoverable to the extent that on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Except where otherwise required by accounting standards, full provision without discounting is made for all timing differences which have arisen but not reversed at the balance sheet date.

### 2. INFORMATION REGARDING DIRECTORS AND EMPLOYEES AND AUDITORS

The Company had no employees during the year (2006 – nil). The Directors did not receive any emoluments from the Company (2006 – £nil).

Amounts paid to the Company's auditor in respect of services to the Company, other than the audit of the Company's financial statements, have not been disclosed, as the information is required instead to be disclosed on a consolidated basis in the consolidated financial statements of the Company's ultimate parent, Cable & Wireless plc.
