1 Accounting policies

Basis of preparation

The company financial statements have been prepared and approved by the directors in accordance with International Financial Reporting Standards as adopted by the EU ("IFRSs")

The accounting policies set out below have unless otherwise stated, been applied consistently to all periods presented in the financial statements and in preparing an opening IFRS balance sheet at 1 April 2006 for the purposes of the transition to IFRS

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in Note 5

The financial statements were authorised for issue by the directors on

Transition to IFRS

The company is preparing its financial statements in accordance with IFRS for the first time and consequently has applied IFRS 1. An explanation of how the transition to IFRS has affected the reported financial position, financial performance and cash flows of the company is provided in Note 6

Trade and other receivables

Trade and other receivables are stated at their nominal amount less impairment losses

IFRS not yet applied

The IFRSs adopted by the EU applied by the Company in the preparation of these financial statements are those that were effective at 31 December 2007. The following provides a brief outline of the likely impact on future financial statements of relevant IFRSs adopted by the EU which are not yet effective and have not been adopted early in these financial statements:

- Amendment to IAS1, 'Capital Disclosures' This amendment will require additional disclosures regarding the capital structure of the Company. The impact is not expected to be material in terms of Company reporting
- IFRS 7, 'Financial Instruments Disclosure' This standard updates and extends the existing disclosure requirements of IAS32 and will require additional disclosures relating to risk management policies and processes. The impact of IFRS 7 is not expected to be material in terms of Company reporting
