SFIA Educational Plans Limited

DIRECTORS' REPORT

The directors submit their report and the financial statements of SFIA Educational Plans Limited for the year ended 31 July 2013

PRINCIPAL ACTIVITIES

The principal activity of the company during the year was the administration of educational plans

The company entered into a business transfer agreement dated 24 April 1997 whereby the activity of administering School Fee Plans was transferred to SFIA Educational Plans Limited with effect from 1st April 1997 from the company's original shareholders, two registered charities S F I A Educational Trust and S F I A Educational Trust Limited, together with the future obligations and accumulated annuities to meet these obligations

The charities have not accepted any new receipts in respect of new School Fee Plans since 20 June 1996

In accordance with the basis of accounting detailed in the Accounting Policies on page 9 both the liabilities to pay future school fees and the matching asset, being the annuities purchased, have been excluded from both the Income and Expenditure Account and Balance Sheet on pages 6 & 8 respectively

RESULTS AND BUSINESS REVIEW

The results for the year are as stated on page 6 Income is reducing year on year as forecasted, the disposal of investments in the year have resulted in a gain, but the charitable donation of £843,049 to the parent undertaking has resulted in a deficit

DIRECTORS

The following have served as directors during the year

Mrs B Roberts * (Chairman)
Mrs A E Feek
Mr A J Hastings *
Mr A H Monro*
Mr D Prince*
Mr A J Rees *

No director had any interest in the share capital of the company

* These directors are also directors of S F I A Educational Trust Limited, the company's parent undertaking

FUTURE DEVELOPMENTS AND GOING CONCERN

Most plans will complete payment and the remainder will be surrendered by April 2014, after which the company will settle with any remaining creditors before formally winding up

RISK AND UNCERTAINTIES

Risk Management

The directors are responsible for the management of the risks faced by the company Key controls used by the company to identify and assess risks during the year include

- Formal agenda items for Directors' meetings
- Comprehensive long term planning and budgeting

SFIA Educational Plans Limited

DIRECTORS' REPORT

- Regular management accounting and reporting
- Established approval and authorisation lines of reporting
- Formal authorisation and approval levels

Through the above risk management process, together with a risk review carried out during the year, the Directors are satisfied that major risks are identified and as far as practicable adequately mitigated

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

The directors who were in office on the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditors are unaware. Each of the directors have confirmed that they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor

AUDITORS

Baker Tilly UK Audit LLP has indicated its willingness to continue in office

The directors have prepared this report in accordance with the provisions applicable to companies subject to the small companies regime

By order of the board

SFIA Educational Plans Limited

DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing those financial statements, the directors are required to

- a select suitable accounting policies and then apply them consistently,
- b make judgements and accounting estimates that are reasonable and prudent,
- c prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SFIA EDUCATIONAL PLANS LIMITED

We have audited the financial statements on pages 6 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As more fully explained in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit

A description of the scope of an audit of financial statements is provided on the APB's website at [http://www.frc.org.uk/Our-Work/Codes-Standards/Audit-and-assurance/Standards-and-guidance/Standards-and-guidance-for-auditors/Scope-of-audit/UK-Private-Sector-Entity-\(issued-1-December-2010\).aspx](http://www.frc.org.uk/Our-Work/Codes-Standards/Audit-and-assurance/Standards-and-guidance/Standards-and-guidance-for-auditors/Scope-of-audit/UK-Private-Sector-Entity-(issued-1-December-2010).aspx)

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 July 2013 and of its deficit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice,
- have been prepared in accordance with the requirements of the Companies Act 2006

Emphasis of matter – Basis of accounting and going concern

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosures made in the accounting policy detailed on page 9 of these financial statements concerning the company's ability to continue as a going concern and the preparation basis of the financial statements. Since the directors have concluded that it will no longer be economically justifiable for the company to continue trading beyond 31 July 2014, the financial statements have not been prepared on the going concern basis. No material adjustments arose as a result of ceasing to apply the going concern basis.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Directors' Report

SFIA Educational Plans Limited

ACCOUNTING POLICIES

31 July 2013

BASIS OF ACCOUNTING

- i) The financial statements are prepared under the historical cost convention as modified by the revaluation of investments. The financial statements are also prepared in accordance with applicable accounting standards.

The directors consider that the format of the income and expenditure account included in Part 15 of the Companies Act 2006 is not wholly appropriate for the company and have taken advantage of paragraph 396 of Chapter 4 and have presented an alternative format which more fully reflects the special nature of the company's operations.

- ii) Capital sums previously received from parents in respect of obligations to pay future school fees and the subsequent purchases of annuities to discharge these obligations are not incorporated in either the income and expenditure account or balance sheet.
- iii) No new plans have been entered into since 1 April 1997. As a result gross annuity receipts and School Fee Payments will continue to reduce into the future until such time as all of the School Fees Plans currently held have ended. By the end of the 2013/14 academic year, there will be fewer than ten school fee plans in operation and so it will no longer be economically justifiable for the company to continue trading and therefore the directors are of the opinion that the company should cease trading by 31 July 2014. The financial statements have therefore been prepared on a break up basis. The financial statements do not include any provision for the future costs of terminating the business of the company except to the extent that such were committed at the balance sheet date. No material adjustments arose as a result of ceasing to apply the going concern basis.

TURNOVER

Turnover represents gross amounts receivable from annuities purchased less school fee payments made.

CASH FLOW STATEMENT

The company has taken advantage of the small company exemption from preparing a cash flow statement under the terms of FRS1.

TANGIBLE FIXED ASSETS

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of each asset over its estimated useful life on the following annual bases:

Computer equipment	33 1/3%	on cost
Fixtures and fittings	33 1/3%	on cost

INVESTMENTS

Quoted investments, unit trusts and annuities are stated at the mid-price market value quoted by the investment manager at the year end.

PENSION CONTRIBUTIONS

The company contributes to Individual Personal Pension Plans for senior employees. Contributions are charged to the income and expenditure account as incurred.

SFIA Educational Plans Limited

ACCOUNTING POLICIES

31 July 2013

OPERATING LEASES

Payments made under operating leases have been charged evenly to the income and expenditure account over the period of the lease

INVESTMENT INCOME

Interest earned on bank and investments is accounted for on a receipts basis

DEFERRED TAXATION

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

A deferred tax asset is not recognised to the extent that the transfer of economic benefit in future is uncertain. It is the company's intention to gift aid any taxable profits to the parent charity and so a deferred tax asset is not recognised.
