1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

Turnover

These are the value of goods and livestock sold, services rendered and other farming receipts during the year and are exclusive of value added tax.

Amortisation

Amortisation is provided on intangible fixed assets so as to write off the cost, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Amortisation method and rate
Milk quota	straight line to 31 March 2015

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Plant and machinery	15% reducing balance basis
Office equipment	33% straight line basis
Farm buildings	5% straight line basis

Stock

Stock is valued at the lower of cost or net realisable value. Cost is determined on a first in first out basis, net realisable value is based on estimated selling price, less any costs which may arise on realisation. Purchased livestock is valued at cost of purchase plus costs of rearing to the valuation date or to maturity, if earlier. Livestock which is homebred, farm reared or acquired some time before maturity and matured on the farm is valued at deemed cost at the following rates: Cattle 60% of open market value Dairy herd on herd basis

Deferred tax

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by the FRSSE. Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date.
