### Directors' responsibilities statement

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent Auditor's report to the members of Silverline Care Limited

---

We have audited the financial statements of Silverline Care Limited for the year ended 30 September 2015 which comprises the profit and loss account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (Effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of directors and auditors

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's (FRC's) Ethical Standards for Auditors.

### Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the FRC's website at [www.frc.org.uk/auditscopeukprivate](http://www.frc.org.uk/auditscopeukprivate).

### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Emphasis of matter - going concern

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosures made in note 1.2 to the financial statements concerning the ability of the company to continue as a going concern. Since its inception the company and the wider group has relied upon funding provided by its bank to finance its investments and to meet its ongoing working capital requirements. These facilities are subject to cross guarantees and security and expire on dates ranging from 30 September 2018, 13 March 2019 and 15 January 2031, although all of the amounts drawn are repayable on demand.

The company's parent group has prepared projections which show that it and the company should be able to work within the terms of its borrowing facilities for the foreseeable future. The bank has provided a letter of support to the parent company on a non-binding basis, noting that its interests are aligned with the continued operation of the business in accordance with the debt finance documents. The Directors therefore believe the bank will continue to support the group and the company and they have a reasonable expectation that the company will have adequate resources to continue in operational existence for the foreseeable future. Accordingly they have drawn up the financial statements on a going concern basis.

However as the letter of support from the bank is provided on a non-binding basis, there is a material uncertainty which may cast significant doubt over the company's ability to continue as a going concern. These financial statements do not include the adjustments that would result if the company were unable to continue as a going concern.

### Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements and the directors' report in accordance with the small companies regime and to the exemption from the requirement to prepare a strategic report.

### 1. Accounting Policies

#### 1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

#### 1.2 Going concern

Since its inception the company and the wider group has relied upon funding provided by its bank to finance its investments and to meet its ongoing working capital requirements. These facilities are subject to cross guarantees and security and expire on 30 September 2018 although the majority of the amounts drawn are repayable on demand.

The company's parent group has prepared projections which show that it and the company should be able to work within the terms of its borrowing facilities for the foreseeable future. The bank has provided a letter of support to the parent company on a non-binding basis, noting that its interests are aligned with the continued operation of the business in accordance with the terms of the debt finance documents. The directors therefore believe the bank will continue to support the group and the company and they have a reasonable expectation that the company will have adequate resources to continue in operational existence for the foreseeable future. Accordingly they have drawn up the financial statements on a going concern basis.

However as the letter of support from the bank is provided on a non-binding basis, there is a material uncertainty which may cast significant doubt over the company's ability to continue as a going concern. These financial statements do not include the adjustments that would result if the company was unable to continue as a going concern.

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the period, exclusive of Value Added Tax and trade discounts.

#### 1.4 Intangible fixed assets and amortisation

Goodwill is the difference between amounts paid on the acquisition of a business and the fair value of the identifiable assets and liabilities. It is amortised to the Profit and Loss Account over its estimated economic life.

Amortisation is provided at the following rates:

Goodwill	-	20% straight line
----------	---	-------------------

#### 1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Furniture, fixtures and fittings	-	20-33% straight line
----------------------------------	---	----------------------

#### 1.6 Operating leases

Rentals under operating leases are charged to the Profit and Loss Account on a straight line basis over the lease term.
