CALVER WEIR RESTORATION PROJECT

TRUSTEES REPORT FOR THE YEAR ENDED 31ST DECEMBER 2013

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present this annual report and the unaudited financial statements of the charitable company for the year ended 31st December 2013.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 16th July 2004 and registered as a charity on 11th February 2005. The company was established under a memorandum of association, which established the objects and powers of the charitable company and is governed under its articles of association. In the event of the company being wound up, members are required to contribute an amount not exceeding £10 each.

Recruitment and appointment of Management Committee

Trustees are appointed at an Annual General Meeting and shall retire from office by rotation, one third each year. Trustees are eligible to be reappointed if they are prepared to stand. The minimum number of trustees shall be three but there shall be no maximum.

Trustee Induction and Training

Most trustees are familiar with the practical side of the charity's activities and potential new trustees are invited to informal discussions with the existing trustees and to observe the development work in progress. They are in addition given copies of the Memorandum and Articles of the company and the most recent annual report and latest accounts, and a copy of 'The Essential Trustee' (Charity Commission publication).

Risk Management

The trustees have considered the major risks to which the charitable company is exposed. They have introduced appropriate procedures to mitigate those risks and have developed a plan to allow for diversification of funding and activities. Internally they have a system of procedures for authorisation of all transactions. Procedures are also in place to ensure compliance with Health and Safety of all appropriate personnel for whom the trustees have a responsibility.

Organisational Structure

The charity has a board of trustees who meet as an executive from time to time and as the need arises. The organisation is managed by a Management Board consisting of trustees and volunteers with specialist knowledge. No staff are directly employed. The charity is grateful for the services of Mr G D Thornton as volunteer civil engineer to oversee Calver Weir restoration work.
CALVER WEIR RESTORATION PROJECT

TRUSTEES REPORT FOR THE YEAR ENDED 31ST DECEMBER 2013 – continued

Objectives and Activities – how our activities deliver public benefit

The principal activity of the charitable company is the restoration of Calver Weir, a gritstone 18C structure which is listed as an ancient monument on the River Derwent. Vulnerable parts of the structure have been recast by a new concrete foundation and has been built using gritstone blocks recovered from the river. New block gritstone acquired from the local quarry used originally has been placed over repaired cemented areas and cement has been used to back fill the crest of the Weir and all exposed cavities.

The erection of a fish pass was started in November 2009 and completed in March 2010.

In tandem with this restoration work the charity is involved with other associated activities including improvement of paths along the river bank, provision for seating and improved signage and a comprehensive programme of conservation initiatives to protect and enhance Calver Marshes, a Biodiversity Action Plan habitat.

The total project costs are £1.841m which is funded by grants and donations from local organisations and local people.

The trustees have had regard to the Charity Commission guidance on public benefit and consider that all activities of the organisation are for the public benefit and are keen to involve as many people as possible in letting the world at large know of the project and how it will benefit everyone.

Achievements and Performance

In 2013, the footpaths were completed together with all but one information boards. The last one will be erected by April 2014. The only outstanding work covered by the original project is the renovation of the Goit Bridge, which can only be completed in spring or early summer 2014.

The main achievement has been the Social History Project, calling on the knowledge and archives of local people in order to provide lasting local history of Calver Weir. This was finalized in August, with presentations to the local people on the 31st August and 1st September in Calver Village Hall.

Financial Review

The trust has now received all of the promised match funders and is not at this time seeking further funding other than the on going Heritage Lottery Fund; the source of which has been extended to July 2014, due to the outstanding work on the Goit Bridge.

Principal Funding Sources

The principal funding for this project has been provided by a Heritage Lottery Fund grant of £1.244m, Environment Agency £165,000 and English Heritage £100,000 augmented by funding derived from local businesses and organisations and residents.

The charity continues to review future funding needs.

Reserves Policy

The trustees have examined the charitable company’s requirements for reserves in the light of the project costs and duration and they believe that it would be prudent to build up unrestricted reserves of £20,000 - £30,000 once the project is completed so that in the absence of any further funding the future is secured.

Plans for Future Period

The Trust will continue to liaise with local landowners in the immediate area to preserve the ecological and conservation aspects. The Trustees have discussed the future ownership of Calver Weir as the original objective for setting up the project nears its end. It believes that it should now be owned or run by a local or interested agency that has permanency and who will be able to maintain it over the years to come. Discussions will be taking place shortly with the three local Parishes of Calver, Curbar and Froggatt.
CALVER WEIR RESTORATION PROJECT

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST DECEMBER 2013

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the charitable company's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and;

(a) Select suitable accounting policies and apply them consistently.

(b) Make judgements and estimates that are reasonable and prudent.

(c) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees, who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small entities.

APPROVAL

This report was approved by the trustees on the 6th May 2014 and signed on their behalf by

Trustee  G Wolfe

Trustee  C Pounds
INDEPENDENT EXAMINERS REPORT TO THE MEMBERS OF
CALVER WEIR RESTORATION PROJECT

I report on the financial statements for the year ended 31st December 2013, set out on pages 5 to 10.

Respective responsibilities of directors and reporting accountants

The trustees, who are also the directors of the company for the purposes of company law, are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011, the 2011 Act, and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law, and is eligible for independent examination, it is my responsibility:

i) to examine the financial statements under section 145 of the 2011 Act;
ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
iii) to state whether particular matters have come to my attention

Basis of independent examiner’s report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a ‘true and fair view’ and the report is limited to those matters set out in the statement below.

Independent examiner’s statement

In connection with my examination, no matter has come to my attention

(a) which gives me reasonable cause to believe that in any material respect the requirements:

(i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and

(ii) to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities.

have not been met; or

(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

These financial statements are prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

For the financial year ended 31st December 2013 the company was entitled to exemption from audit under section 477 Companies Act 2006; and no notice has been deposited under section 476.

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 386 and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

Approved by the board of directors and trustees on 6th May 2014 and signed on their behalf.

Trustee G Wolfe

Trustee C Pounds
CALVER WEIR RESTORATION PROJECT

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31ST DECEMBER 2013

1. ACCOUNTING POLICIES

(a) Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention and include the results of the charity's operations which are described in the Trustees' Report, all of which are continuing.

The financial statements have been prepared in accordance with the Charities Act 2011, the Companies Act 2006 and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

The charity has taken advantage of the exemption in Financial Reporting Standard No. 1 from the requirement to produce a cashflow statement on the grounds that it qualifies as a small charity.

(b) Tangible fixed assets for use by the charity and depreciation

The charitable company owns the freehold of the weir having purchased this for a nominal sum of £1.

(c) Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Investment income is included when receivable.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(d) Value added tax

Value added tax is not recoverable by the charity, and as such is included in the relevant costs in the Statement of Financial Activities.

(e) Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such services and those costs of an indirect nature necessary to support them.
CALVER WEIR RESTORATION PROJECT

NOTES TO THE FINANCIAL STATEMENTS - continued

YEAR ENDED 31ST DECEMBER 2013

1. ACCOUNTING POLICIES - continued

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accounting and reporting fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

10. ETHICAL STANDARDS

In common with many other businesses of our size and nature, we use our auditors to prepare and submit returns to the tax authorities and assist with the preparation of financial statements.
