For the year ending 31 March 2013 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006

The director acknowledges her responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime

Approved by the director on 21 November 2013

Mrs A M Carr
Director

A & A Management and Design Limited
Notes to the Abbreviated Accounts for the Year Ended 31 March 2013

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Going concern

The financial statements have been prepared on a going concern basis

At the 31st March 2013 the company has net liabilities of £90,868. The company's activities in the first periods of trading have required a substantial investment at a time when the trade had not been fully established. During the course of the 2013 year the company vacated the retail shop from which it was operating and the company is now solely running an internet sales business. The director hopes that this move will improve the profitability of the company.

The director has informed the company that she will not seek full repayment of her loan to the company until the company has positive net assets. The value of this loan creditor at 31st March 2013 is £114,853.

Continuation of the company's activities is dependent upon this support and the director has prepared these financial statements on the going concern basis on the assumption that this support continues.

Turnover

Turnover represents the net invoiced sales of goods in the year, excluding value added tax, and is recognised based on the date of sale of the goods.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Fixtures and fittings	15% reducing balance basis
Computer equipment	25% reducing balance basis

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, calculated at the rate of tax expected to apply at the date of reversal.
