The Chargor has declared that to the extent that any right, title, interest or benefit described in Clause 3 2 (Assignments) of the Composite Debenture is for any reason not effectively assigned pursuant to Clause 3 2 (Assignments) of the Composite Debenture for whatever reason, the Chargor shall

(a) hold the benefit of the same on trust for the Security Trustee as security for the payment and discharge of the Secured Obligations, and

(b) promptly notify the Security Trustee of the same and the reasons therefor and thereafter take such steps as the Security Trustee may reasonably require to attempt to remove any relevant prohibition or other reason for such failure

1 4 Floating Charge

The Chargor with full title guarantee (or, in relation to rights or assets situated in or governed by the law of Scotland, with absolute warrandice) hereby charges to the Security Trustee by way of first floating charge and as a continuing security for the payment and discharge of the Secured Obligations its undertaking and all its property, assets and rights whatsoever and wheresoever both present and future, other than any property or assets from time to time effectively charged by way of fixed charge or assignment pursuant to Clauses 3 1 (Fixed Charge) of the Composite Debenture and 3 2 (Assignments) of the Composite Debenture and including (without limitation and whether or not so effectively charged) any of its property and assets situated in Scotland, provided that, for the avoidance of doubt, the floating charge shall not attach to any plant or machinery, or any interest therein, which is the subject of a lease where the title thereto vests in the relevant lessor and not such Chargor. The parties to the Composite Debenture have agreed that the floating charge created by Clause 3 4 of the Composite Debenture is a qualifying floating charge for the purposes of paragraph 14 of schedule B1 to the Insolvency Act 1986

1 5 Automatic Conversion of Floating Charge

Notwithstanding anything expressed or implied in the Composite Debenture, if

(a) the Chargor creates or attempts to create any other Encumbrance over all or any of the Floating Charge Assets without the prior consent in writing of the Security Trustee or otherwise as permitted by the Senior Finance Documents,

by Clause 3 4 of the Composite Debenture to crystallise solely because a moratorium has been obtained by any person in relation to the Chargor or any person has taken any steps with a view to obtaining a moratorium in relation to the Chargor under Section 1A and Schedule A1 of the Insolvency Act 1986

1 6 Conversion of Floating Charge by Notice

Notwithstanding anything expressed or implied in the Composite Debenture, the Security Trustee shall be entitled at any time by giving notice in writing to that effect to the Chargor to convert the floating charge over all or any part of the Floating Charge Assets into a fixed charge if and to the extent that the Security Trustee reasonably considers the assets specified in such notice may be in danger of being seized or sold under or pursuant to any form of distress or execution, or may otherwise be in jeopardy or the Security Trustee otherwise considers (acting reasonably) such conversion to be necessary or desirable to protect the priority of the Security

1 7 Prior Charges

The Prior Charges shall rank, together with interest thereon and costs in relation thereto, in priority to the charges created by this Deed as a continuing security for repayment of all moneys, obligations and liabilities thereby secured Such priority shall not be affected by any fluctuations in the amount from time to time due or by the existence at any time of a credit balance on any current or other account

1 8 Rule 3-16 Limitation

(a) Clause 3 1 (Fixed Charge) and Clause 3 4 (Floating Charge) of the Composite Debenture notwithstanding, the Excluded Charged Assets are not charged under the Composite Debenture to secure the Designated Secured Obligations For the avoidance of doubt,

(i) all other Charged Assets remain charged or assigned (as the case may be) under the Composite Debenture to secure all Secured Obligations, including without limitation the Designated Secured Obligations, and

(ii) such Excluded Charged Assets remain charged under Clause 3 1 (Fixed Charge) and Clause 3 4 (Floating Charge) of the Composite Debenture to secure any Secured Obligations that are not Designated Secured Obligations

(b) "Excluded Charged Assets" in relation to any Designated Secured Obligations means any Shares or other securities of a Subsidiary of Virgin Media Inc (excluding the Shares or other securities issued by Virgin Media Investments Limited and Virgin Media Investment Holdings Limited or, in each case, any successor entity upon any merger, reorganisation or other restructuring effecting it) that are owned by any Chargor to the extent that charging or pledging such Shares or other securities under the Composite Debenture to secure such Designated Secured Obligations would result in Rule 3-16 requiring separate financial statements of such Subsidiary to be filed with the SEC, but (i) only to the extent necessary to not be subject to such requirement, (ii) only for so long as such requirement is in existence and

(iii) only if no member of the Group files or is otherwise required to file separate financial statements of such Subsidiary with the SEC under a separate rule or regulation, provided that no shares or securities will constitute Excluded Charged Assets if any member of the Group takes any action in the form of a reorganisation, merger or other restructuring, a principal purpose of which is to provide for the limitation of the charge on any Shares or other securities pursuant to Clause 3 14(a) of the Composite Debenture

(c) In the event that Rule 3-16 is amended, modified or interpreted by the SEC to require (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would require) the filing with the SEC (or any other United States federal or state governmental agency) of separate financial statements of any such Subsidiary due to the fact that such Subsidiary's Shares or other securities secure any Designated Secured Obligations, then such Shares or other securities (as applicable) of such Subsidiary shall automatically be deemed to be Excluded Charged Assets for such Designated Secured Obligations but (i) only to the extent necessary to not be subject to any such financial statement requirement, (ii) only for so long as such financial statement requirement would otherwise have been applicable to such Subsidiary and (iii) only if no member of the Group files or is otherwise required to file separate financial statements of such Subsidiary with the SEC or such other governmental agency under a separate rule or regulation. If the circumstances described in this paragraph (c) apply, the Composite Debenture may be amended or modified, without the consent of any Senior Finance Party, to the extent necessary to release the charge (but only to the extent securing such Designated Secured Obligations and without prejudice to the charge securing Secured Obligations referred to in paragraph (a)(ii) of Clause 3 14 of the Composite Debenture) in favour of the Security Trustee on the relevant Shares and/or other securities that are so deemed to constitute Excluded Charged Assets

(d) In the event that Rule 3-16 is amended, modified or interpreted by the SEC to permit (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would permit) such Subsidiary's Shares and/or other securities to secure any Designated Secured Obligations in excess of the amount then pledged without the filing with the SEC (or any other United States federal or state governmental agency) of separate financial statements of such Subsidiary, then the Shares or other securities (as applicable) of such Subsidiary will automatically be deemed not to be Excluded Charged Assets for such Designated Secured Obligations, but limited to the extent necessary to not be subject to any such financial statement requirement. If the circumstances described in this paragraph (d) apply, the Composite Debenture may be amended or modified, without the consent of any Senior Finance Party, to the extent necessary to charge in favour of the Security Trustee such additional Shares or other securities that were deemed to constitute Excluded Charged Assets
