Mrs S Bamert - Director

NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD 23 FEBRUARY 2016 TO 31 DECEMBER 2016

1. **STATUTORY INFORMATION**

ASK Inclusive Finance Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

This is the first year the financial statements have been prepared under FRS102 1A.

The presentation currency as defined in Section 30 of FRS 102 is sterling. The amounts presented in the financial statements have been rounded to the nearest pound.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Significant judgements and estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date, and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Useful life of tangible fixed assets

A reliable estimate is made of the useful life of tangible assets on acquisition. The estimate is based on a variety of factors such as expected use of the acquired asset and assumptions that market participants would consider in respect of similar business.

Other key sources of estimation uncertainty

Tangible fixed assets

Tangible fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. Residual value assessments consider issues such as market conditions, the remaining life of the asset and projected disposal values.

Depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 50% straight line

Fixed assets

All fixed assets are initially recorded at cost.

Taxation

Taxation for the period comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE PERIOD 23 FEBRUARY 2016 TO 31 DECEMBER 2016

2. ACCOUNTING POLICIES - continued**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Going concern

The accounts have been prepared on a going concern basis. Although the company has made a loss in the period, this was expected in this first period and the company is expected to make reasonable income in the 2017 year. The company has the ongoing support of its directors and other companies within the group.
