1 STOP TYRE SHOP LIMITED  
NOTES TO THE ABBREVIATED ACCOUNTS  
YEAR ENDED 31ST MAY 2014

**1. Accounting Policies**

a) Convention

The accounts have been prepared in accordance with the historical cost convention as modified by the re-valuation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008). The principal accounting policies which the Directors have adopted within that convention are set out below.

b) Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for accounting and taxation purposes. However, no provision is made for taxation deferred by reliefs where there is reasonable evidence that no liability will arise in the foreseeable future. In assessing the likelihood of continuing deferment the Directors have regard for past investment levels and the extent to which tax allowances will be available on expected future capital expenditure.

c) Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost of each asset over its expected useful life as follows:-

Plant and Equipment	- 20% on written down value
Motor Van	- 20% on written down value

d) Stock

Stocks are valued at the lower of cost and net realisable value.
