NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2008

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

The company was dormant throughout the year ended 31 August 2008. However, reference to information relating to the year ended 31 August 2007 has been made where appropriate.

Turnover

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts.

Contract Work in Progress

Work in progress on contracts is stated at costs incurred, net of amounts transferred to the profit and loss account in respect of work carried out to date, less foreseeable losses and less applicable payments on account not matched with turnover.

Costs include direct materials, labour and site establishment expenses.

Attributable profit is recognised on contracts as a proportionate allocation of the total estimated profit over the duration of the contract, based on the stage of completion of the contract. No profit is treated as attributable to any contract until the outcome of that contract can be assessed by the directors with reasonable certainty. Foreseeable losses are provided in full immediately on identification of a probable projected loss.

Provision is made for contract claims which have not reached an advanced state of negotiation.

To the extent that payments received on account on individual contracts are in excess of amounts matched with turnover and amounts offset against long term contract balances, they are classified as payments on account and included in creditors. The amounts by which recorded turnover is in excess of payments on account on individual contracts are classified as amounts recoverable on contracts and included in trade debtors.

Provision or accruals for foreseeable losses on individual contracts in excess of the costs incurred, after transfers to cost of sales, are included in creditors.

2. CALLED UP SHARE CAPITAL
