5. Application of moneys

All moneys received by the Assignee pursuant to enforcement of this Assignment shall be applied

- (a) first, in payment of the Expenses,
- (b) secondly, in or towards settlement of the Secured Obligations in such manner and in such order of priorities as the Assignee deems appropriate, and

6. Assignor's continuing obligations

Notwithstanding anything herein contained, the Assignor shall remain liable with respect to the Collateral to perform all the obligations assumed by it thereunder and no exercise by the Assignee of any of its rights under this Assignment shall constitute or be deemed to constitute an assumption or acceptance by the Assignee of any obligation of the Assignor. Subject to clause 3.3, the Assignee shall not be under any obligation or liability with respect to the Collateral by reason of this Assignment or anything arising out of it.

7. Exercise of remedies

7.1 At any time after the termination of the lease of the Aircraft under the Lease, the Assignee shall be entitled to exercise, as and when it deems appropriate, in relation to the Collateral and each part thereof, all or any of the rights, powers and remedies possessed by it as assignee and/or chargee of the Collateral (whether at law, by virtue of this Assignment or otherwise), in each case, without further notice and without the restrictions contained in Section 103 of the Law of Property Act 1925, and in particular (without limiting the generality of the foregoing) the Assignee shall be entitled to:

7.2 Sections 93 and 103 of the Law of Property Act 1925 and paragraphs (6) and (8) of Section 109 of the Law of Property Act 1925 shall not apply to this Assignment or to the security created by and under this Assignment

7.3 The Assignee may exercise its power of sale hereunder in such a way as it in its absolute discretion may determine and shall not in any circumstances be answerable for any loss occasioned by any such sale or resulting from any postponement thereof.

7.4 The Assignee shall not be liable as assignee in respect of the Collateral to account or be liable for any loss upon the realisation thereof or for any neglect or default of any

nature whatsoever in connection therewith for which any assignee may be liable as such unless such loss arises as a direct result of the wilful misconduct or gross negligence of the Assignee and is a direct result of an act for which an assignee may be liable as such

7.5 Upon any sale by the Assignee of the Assignee's, or any part of the Assignee's, right, title and interest in and to the Collateral, the purchaser shall not be bound to see or enquire whether the power of sale of the Assignee has arisen, the sale shall be deemed for all purposes hereof to be within the power of the Assignee and the receipt of the Assignee for the purchase money shall effectively discharge the purchaser who shall not be concerned with the manner of application of the proceeds of sale or be in any way answerable therefor.

8. Continuing security and other provisions

8.1 It is declared and agreed that.

(a) the security created by this Assignment shall

(i) be a continuing security for the payment, satisfaction, performance and discharge in full to the satisfaction of the Assignee in accordance with the terms of the Lease of all of the Secured Obligations and the performance of the Lessee's obligations under the Lease and accordingly the security so created shall not be satisfied by any intermediate payment, repayment, satisfaction, performance or discharge of any part only of the Secured Obligations;

(ii) be in addition to and shall not in any way discharge, impair, prejudice or affect the security created by any deposit of documents, or any guarantee, bill, note or Security Interest now or hereafter held by the Assignee, or any right or remedy of the Assignee thereunder, and shall not in any way be discharged, impaired, prejudiced or affected thereby, or by the invalidity or unenforceability thereof, or by the Assignee releasing, discharging, modifying or refraining from perfecting or enforcing any of the same or granting time or indulgence or compounding with any person liable,

(iii) not be discharged, impaired, prejudiced or otherwise affected by any amendment, modification, variation, supplement, novation, restatement or replacement of all or any part of the Secured Obligations or the Lease or the Sub-Lease; and

(c) all the rights and powers vested in the Assignee by this Assignment may be exercised from time to time and as often as the Assignee may deem expedient

8.2 No failure or delay on the part of the Assignee to exercise any right, power or remedy under this Assignment shall operate as a waiver thereof, nor shall any single or partial exercise by the Assignee of any right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy, nor shall the giving by the Assignee of any consent to any act which by the terms of this Assignment requires such consent prejudice the right of the Assignee to give consent to the doing of any other similar act. The remedies provided in this Assignment are cumulative and are not exclusive of any remedies provided by law

8.3 The Assignee shall not be obliged to make any enquiry as to the nature or sufficiency of any payment received by it under this Assignment, or to make any payment or to make any claim or to take any action to collect any moneys hereby assigned, or to enforce any rights and benefits hereby assigned to the Assignee or to which the Assignee may at any time be entitled under this Assignment

8.4 Any settlement or discharge between the Assignee and the Assignor and/or any other person shall be conditional upon no security or payment to the Assignee by the Assignor or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, liquidation, winding-up, insolvency, dissolution, administration, reorganisation, amalgamation or other analogous event or proceedings for the time being in force

Provided that the Assignee shall not be entitled to exercise the powers conferred upon it pursuant to this clause 9.1 unless an Event of Default (as defined in the Lease) shall have occurred and be continuing and the leasing of the Aircraft under the Lease has been terminated. The power hereby conferred shall be a general power of attorney under the Powers of Attorney Act 1971 and the Assignor hereby ratifies and confirms, and agrees to ratify and confirm, any deed, assurance, agreement, instrument, act or thing which the Assignee or any substitute or delegate may execute or do pursuant hereto

9.2 The exercise of such power by or on behalf of the Assignee or any substitute or delegate shall not put any person dealing with same upon any enquiry as to whether the security created by this Assignment has become enforceable, nor shall such person be in any way affected by notice that the security so created has not become so enforceable, and the exercise by the same of such power shall be conclusive evidence of their, its or his right to exercise the same.
