OBJECTIVES AND ACTIVITIES

POLICIES AND OBJECTIVES

LED is a charity to support the work of Val Pitkethly in her trekking and climbing expeditions in South America and the Himalayas. It is not affiliated to any other group, religious or otherwise, and is funded mainly through the donations of those associated with Val's trekking work. Administered by veterans of Val's expeditions, the aim of the charity is to provide low-tech solutions to 3 basic needs; cheap affordable lighting, basic education and healthcare leading to economic development for the poorest people in these regions.

VOLUNTEERS

Volunteers are all people who have participated in treks run by Val and who have seen at first hand the benefits of the work she has done in the past.

ACHIEVEMENTS AND PERFORMANCE

REVIEW OF ACTIVITIES

Peru

The clinic was visited several times to bring medical supplies both donated to and purchased by LED.

We obtained the voluntary services of four pre-graduate doctors from Leeds University. We will continue this programme next year as it gives them a unique opportunity to make a huge contribution to health and wellbeing of the whole area. In addition a recently retired GP spent 5 weeks at the Health post. During these visits, we operate mobile clinics for the very remote settlements where there is no access to health services.

Further deliveries of lights and educational supplies to Quishuar, Peru, and the surrounding region were made during the year.

Nepal

Deliveries of lights and school supplies continue to be made in the Manaslu and Tsum valley regions.

FUNDRAISING ACTIVITIES/INCOME GENERATION

Our Just Giving account has been a successful route for donations and we continue to encourage potential donors to enter sponsored events such as marathons etc.

Once again the Juniper Trust assisted with funding for solar lighting.

Donations of medical and educational supplies have been received, in particular from a group who visited Peru from Canada.

INVESTMENT POLICY AND PERFORMANCE

Funds are kept in an interest bearing bank account.

|--|---|
| <i>This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.</i> | |
| INCOMING RESOURCES | |
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> · the charity becomes entitled to the resources; · the trustees are virtually certain they will receive the resources; and · the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. |
| | Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. |
| | Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |

| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |
| ASSETS | |
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
