**THE SHARE REPUBLIC PLC
STRATEGIC REPORT
FOR THE YEAR ENDED 31 MAY 2014**

The directors present their report and financial statements for the year ended 31 May 2014.

Review of business

Your directors have reviewed numerous corporate financial opportunities, but the low level of corporate finance revenue reflects the current economic environment, and the company's primary goal of developing an electric dealing platform.

The Company was created with the intention to develop, build and exploit an online, interest based, securities trading platform, so that private (retail) customers could buy and sell securities, initially on the UK stock exchanges.

The principle risks and uncertainties relate to the ability to successfully launch the electronic dealing platform and to generate sufficient customer levels exceed the cost base.

On behalf of the board

Mr Geoffrey Hoodless

Director

**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 MAY 2014**

The directors present their report and consolidated financial statements for the year ended 31 May 2014.

Principal activity

The principal activity of its wholly owned subsidiary The Share Republic.com Limited is that of corporate finance advisory services. The Share Republic.com Limited is authorised and regulated by the Financial Conduct Authority. It was created with the intention to develop, build and exploit an online, internet based, securities trading platform, so that private (retail) customers could buy and sell securities, initially on the UK stock exchanges.

Your directors have reviewed numerous corporate finance opportunities, but the low level of corporate finance revenue reflects the current economic environment, and the company's primary goal of developing an electronic dealing platform.

Directors' responsibilities for the accounts

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Results and dividends

The results for the period are set out in the consolidated profit and loss account on page 6. The directors do not recommend payment of a dividend. Retained losses of £11,297 have been transferred to reserves.

**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 MAY 2014**

Directors and shareholdings

The directors who held office during the year were:

Mr Geoffrey Hoodless
Mrs Vola Parker

Statement of disclosure to auditors

So far as the directors are aware, at the time of approval of their report:

- There is no relevant audit information of which the company's auditors are unaware; and
- The directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Auditors

In accordance with Section 485 of the Companies Act 2006, a resolution proposing that UHY Hacker Young LLP be re-appointed as auditors of the company will be put to the Annual General Meeting.

By order of the board

Mr Geoffrey Hoodless
Director

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF THE SHARE REPUBLIC PLC**

We have audited the group and parent company financial statements (the "financial statements") of The Share Republic Plc on pages 6 to 16 for the year ended 31 May 2014, which comprise the Consolidated Profit and Loss Account, the Consolidated and Company Balance Sheets, the Consolidated Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Part 3 of Chapter 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit the financial statements in accordance with relevant law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's web-site at www.frc.org.uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the company's affairs as at 31 May 2014 and of the group's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF THE SHARE REPUBLIC PLC**

Emphasis of matter – Going concern

In forming our opinion on the financial statements, which is not qualified, we have considered the adequacy of the disclosures made in note 1 a) to the financial statements concerning the group's ability to continue as a going concern. The group incurred losses of £11,297 during the year ended 31 May 2014 and is reliant upon its shareholders for continuing support. These conditions along with those discussed in note 1 a) indicate the existence of a material uncertainty which may cast significant doubt about the company's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the group were unable to continue as a going concern.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 MAY 2014**

1. Principal accounting policies**a) Accounting convention**

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards.

As at 31 May 2014 the Group had net assets of £90,727 (2013: £92,024) and the Directors are satisfied that the going concern basis is appropriate for the preparation of these financial statements as they consider the support of the shareholders will be forthcoming as and when required. There is however no guarantee that this will be received and consequentially a material uncertainty exists that may cause significant doubt over the company's ability to continue in the normal course of business for the foreseeable future.

The financial statements do not include the adjustments that would result if the Group were unable to continue as a going concern.

b) Cash flow statement

The cash flows of the company are included in the consolidated cash flow statement of The Share Republic plc. Consequently the company is exempt under the terms of FRS 1 (Revised) from publishing a cash flow statement.

c) Consolidation

The financial statements consolidate the accounts of the company and its subsidiary undertakings and have been prepared by using the principles of merger accounting in accordance with FRS 6 Acquisitions and Mergers. The Group was formed following a share for share exchange exercised on 2 August 2013 between the company and the Share Republic.com Limited which is considered to meet the requirements of FRS 6 to be accounted for as a merger. Accordingly a merger reserve has been created to represent the difference between the value of the shares issued and the nominal value of the share capital and share premium account in the subsidiary.

Intra-group balances are eliminated fully on consolidation.

d) Turnover

Turnover represents fees for undertaking corporate finance transactions net of VAT. Turnover is recognised when the Group is contractually entitled to do so.

e) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation is provided at rates calculated to write-off the cost less estimated residual value of each asset, over its expected useful life as follows:-

Fixtures and fittings	- 3 years straight line
-----------------------	-------------------------

f) Investments

Fixed asset investments are stated at cost less provision for diminution in value.

**NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 MAY 2014**
