2. SIGNIFICANT ACCOUNTING POLICIES

Investments in subsidiary

Investments in subsidiary undertakings are recorded at cost plus incidental expenses.

Cash and cash equivalents

Cash and cash equivalents includes cash at banks. Cash and cash equivalents are carried at amortised cost in the statement of financial position.

Share capital

Incremental external costs directly attributable to the issue of new shares, other than on a business combination, are deducted from equity net of any related income taxes.

Basis of consolidation

During the year ended 31 March 2018, the directors have reassessed the requirement for the preparation of consolidated financial statements as per IFRS 10, 'Consolidated Financial Statements'.

The objective of IFRS 10 'Consolidated Financial Statements' is to establish principles for the presentation and preparation of consolidated financial statements when an entity controls one or more other entities. To meet the objective, this IFRS:

- (a) requires an entity (the parent) that controls one or more other entities (subsidiaries) to present consolidated financial statements;
- (b) defines the principle of control, and establishes control as the basis for consolidation;
- (c) sets out how to apply the principle of control to identify whether an investor controls an investee and
- (d) sets out the accounting requirements for the preparation of consolidated financial statements.

An investor controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Thus, the principle of control sets out three elements of control.

IFRS 10 defines 'control' as follows:

- (a) power over the investee;
- (b) exposure, or rights, to variable returns from involvement with the investee; and
- (c) the ability to use power over the investee to affect the amount of the investor's returns.

Based on the assessment, it was concluded that the Company do not have power to control its subsidiary Deco Series 2005–UK Conduit 1 Plc. Moreover, neither the shareholders nor the director has a variable return over the Company. The directors have therefore concluded that the Company do not need to prepare consolidated financial statements.

Directors' emoluments

Directors' emoluments are GBP nil (2017: GBP nil) as they are not remunerated for their services.

The Company has no employees (2017: None).
