Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITORS' REPORT**

### **TO THE SHAREHOLDERS OF LONDON & SURREY PROPERTY HOLDINGS LIMITED**

---

We have audited the financial statements of London & Surrey Property Holdings Limited on pages 5 to 11 for the year ended 31 March 2007. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005), under the historical cost convention and the accounting policies set out therein.

#### **Respective responsibilities of the directors and auditors**

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the directors' report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

#### **Basis of audit opinion**

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

We have undertaken the audit in accordance with the requirements of APB Ethical Standards including APB Ethical Standard - Provisions Available for Small Entities, in the circumstances set out in note 14 to the financial statements.

# **LONDON & SURREY PROPERTY HOLDINGS LIMITED**

## **INDEPENDENT AUDITORS' REPORT (CONTINUED)**

### **TO THE SHAREHOLDERS OF LONDON & SURREY PROPERTY HOLDINGS LIMITED**

---

#### **Qualified opinion arising from disagreement about accounting treatment**

Freehold land and buildings owned by the company for investment purposes are included in the financial statements at historical cost. This is not in accordance with Statement of Standard Accounting Practice No 19 Accounting for Investment Properties which requires investment properties to be included at open market value at the balance sheet date. We are unable to quantify the financial effects on this departure, which potentially results in misstatement of the value of investment properties and revaluation reserves in the balance sheet, and the profit on disposal of fixed assets in the profit and loss account.

Except for the failure to revalue the investment properties, in our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities, of the state of the company's affairs as at 31 March 2007 and of its profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the directors' report is consistent with the financial statements
