Directors' report

The directors present their report and financial statements for the year ended 30 June 2014.

Results and dividends

The loss for the year amounted to £1,308 (2013– profit of £511,578). No dividend has been declared during the year (2013 - £875,000).

Principal activity and review of the business

The company's principal activity during the year ended 30 June 2014 was that of an investment holding company. The company continues to own 50% of the joint venture AETN UK which is jointly operated with BSkyB History Limited.

Directors

The directors who served the company during the year were as follows:

S Ronson – resigned 31 October 2013

S Benson

S Cohan – appointed 10 April 2014

Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, each director has taken all the steps that he/she is obliged to take as a director in order to make himself/herself aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditors

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

Small companies' exemption

In preparing this Directors' report, the directors have taken advantage of the small companies' exemption under section 415(A) of the Companies Act 2006 for reduced disclosures. The directors have also taken exemption under Section 414 (B) not to prepare a Strategic Report.

On behalf of the Board

Stuart Benson, Director

10 August 2015

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and exemplified in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report

to the members of A&E Television Networks (UK) Limited

We have audited the financial statements of A&E Television Networks (UK) Limited for the year ended 30 June 2014 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2014 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report (continued)

to the members of A&E Television Networks (UK) Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime, take advantage of the small companies' exemption in not preparing the Strategic Report and take advantage of the small companies' exemption in preparing the Directors' Report.

Notes to the financial statements

at 30 June 2014

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards.

Going concern

The financial statements have been prepared on a going concern basis. The directors have no reason to believe that the company will not have sufficient resources to meet its liabilities in the future as and when they fall due.

Statement of cash flows

The company has taken advantage of the concession in FRS 1 'Statement of cash flows' which exempts a company from the requirement to prepare a statement of cash flows on the grounds that the company is small as defined in companies' legislation.

Investments

The investments are valued at cost unless, in the directors' opinion, there is any impairment in the carrying value.

The carrying value of fixed asset investments are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exception:

- Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date.

All differences are taken to the profit and loss account.

2. Auditor's remuneration

Auditor's remuneration has been borne by another group undertaking in both the current and prior years.

3. Staff costs

There were no employees in the company, other than the directors. None of the directors, who are remunerated by other group undertakings, received any remuneration for services to the company during the current and prior year.

Notes to the financial statements

4. Tax

(a) Tax on loss on ordinary activities

The tax charge is made up as follows:

	2014	2013
	£	£
<i>Current tax:</i>		
UK corporation tax on the loss for the year	-	-
Adjustments to tax charge in respect of previous periods	452	-
Tax on loss on ordinary activities (note 4(b))	<u>452</u>	<u>-</u>

(b) Factors affecting current tax for the year

The tax assessed for the year differs from the standard rate of corporation tax in the UK of 22.5% (2013 – 23.75%). The differences are explained below:

	2014	2013
	£	£
(Loss) / Profit on ordinary activities before tax	(856)	511,578
(Loss) / Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 22.5% (2013 – 23.75%)	(193)	121,503
<i>Effects of:</i>		
Non taxable income	-	(121,502)
Losses carried forward	-	(1)
Utilisation of tax losses	193	-
Adjustments to tax charge in respect of previous periods	452	-
Total current tax charge (note 4(a))	<u>452</u>	<u>-</u>

(c) Deferred tax

The deferred tax asset not recognised in the financial statements is as follows:

	2014	2013
	£	£
Tax losses available	<u>23,241</u>	<u>27,069</u>

The deferred tax asset, which has been calculated at 20% (2013 – 23%) has not been recognised due to the uncertainty surrounding the availability of future taxable profits to enable its reversal.

The Finance Act 2013, which provides for reductions in the main rate of corporation tax from 23% to 21% effective from 1 April 2014 and to 20% effective from 1 April 2015, was substantively enacted on 2 July 2013. These rate reductions have been reflected in the calculation of the unrecognized deferred tax at the balance sheet date.
