Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

C.G.I.S. Littlehampton Limited
Notes to the Financial Statements
for the year ended 30 June 2015

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Accounting convention

The financial statements have been prepared on a going concern basis, under the historical cost accounting rules, and in accordance with the Companies Act 2006 and applicable accounting standards for the United Kingdom.

Basis of preparation

The financial statements have been prepared on the going concern basis by the directors, who have assessed the future status and position of the company and determined that the going concern basis is appropriate.

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw a cash flow statement in accordance with FRS1.

Related party transactions

As the company is a wholly owned subsidiary of CGIS Group (No. 3) Limited, it has taken advantage of the exemption contained in Financial Reporting Standard 8 and has therefore not disclosed transactions which form part of the group.

The consolidated financial statements of CGIS Group (No. 3) Limited, within which this company is included, can be obtained from 10 Upper Berkeley Street, London W1H 7PE.

Intercompany loans

Interest on intercompany loans is charged annually in arrears at bank base rate plus 1.5%. However, where this would result in a loss arising in the subsidiary company's accounts, the amount of interest charged is constrained to the funds available in that subsidiary company, such that neither a gain nor a loss arises in its accounts before interest and dividends.

2 Staff numbers and costs

Other than the directors, the company employed no staff during the year (2014: Nil). None of the directors received any remuneration (2014: Nil).

3 Auditors' remuneration

The auditors' remuneration has been borne by its ultimate parent company, CGIS Group (No. 3) Limited.
