Pirtek Europe Limited

Strategic Report for the year ended 31 March 2018

Business Review

Pirtek has continued with the same strategy and operational focus which has seen us grow over the past few years. Pirtek Europe Limited is the intermediate holding company of a group of companies which operate in seven European countries, each subsidiary supporting the network of franchisees in each country through the supply of products and services, except Sweden which operates an owned model. The principal activity of the franchise network itself is the delivery of time-sensitive, on-site hose replacement services.

The Company's investments showed a significantly improved performance during the year. A number of encouraging signs were noted including an increasing number of mobile service units in key markets and additional service centres. In addition, the company acquired Slangakuten AB (now Pirtek Sweden AB) which provides very similar services to a broad range of customers in the Swedish market focused on the Stockholm, Gothenburg and Malmo areas. We anticipate strong growth in Sweden in the coming years.

Key performance indicators

The Company's principal key performance indicator is the comparison between the carrying value of its investments against the position and performance of these investments.

Management's assessment of the recoverability of the company's investments, based on its subsidiaries' position and current and projected performance, lead to no impairment during the year.

Business environment

The emergency hydraulic hose replacement markets, in the countries in which the operating companies trade, are diverse due to wide range of industries demanding the service. The demand for a time-sensitive maintenance solution is of greater importance in sectors with high labour costs, well-evolved customer service standards and where equipment downtime costs greatly outweigh the Pirtek repair costs.

Therefore, the core offering of the Pirtek solution is:

- 1 Rapid response - aim within 1 hour;
- 2 Quality product - hoses and fittings usually required for high value capital items;
- 3 Nationwide support - ability to resolve problems across a clear geographical area; and
- 4 Range - having the appropriate product items available at very short notice.

Strategy

Our strategy is dependent on our evolutionary position in each country.

In the United Kingdom, Ireland and Netherlands, the group has a mature network in place which results in a need to maximise market opportunities available and create new revenue channels through products and services aligned to our core activities. In Belgium, Germany, Austria and Sweden the group is looking to expand its coverage significantly.

As well as continuing to develop our existing business, the company will actively consider acquisition opportunities, which have the potential to strengthen our position in existing countries or expand into new countries or market sectors.

Pirtek Europe Limited

Strategic Report
for the year ended 31 March 2018 (continued)

Principal risks and uncertainties

As an intermediate holding company, the principal risk that the company faces is that the carrying value of its investments in its subsidiaries is not fully recoverable.

Management regularly monitor the carrying value of the company's investments against the position and performance of its subsidiaries to ascertain whether there are any indicators for potential impairments.

Should the carrying value of certain investments not be recoverable in full, the company may be unable to pay amounts due to group companies. In these circumstances, the company would seek support from the group headed by Fast Pressure I Limited, its ultimate parent company.

The company is exposed to the health of the UK economy and therefore uncertainties concerning business activity in the UK could have an effect on its business. Management consider the effect of the UK decision to exit the EU as a risk, however the implications of EU referendum outcome remain uncertain. We welcome the potential transitional arrangements and believe these will reduce risk in the short term.

Approved

This strategic report was approved on behalf of the Board on 30 August 2018

A S McNutt

Director

Pirtek Europe Limited

Directors' Report for the year ended 31 March 2018

The directors present their directors' report together with the strategic report and the audited financial statements for the year ended 31 March 2018.

Results and dividends

The statement of comprehensive income is set out on page 9 and shows the profit for the year (2017 - profit).

The trading results for the year, and the company's financial position at the end of the year, are shown in the attached financial statements. The company is a wholly owned subsidiary of Pirtek Europe Holdings Limited which in turn is an indirect subsidiary of Fast Pressure Limited. If required, the group will continue to provide financial support for the business.

A dividend of £697,571 was declared and settled on 29 June 2017. During the prior year, a dividend of £26,492,908 was declared and settled on 31 March 2017.

Principal activities

The company supplies services to its subsidiaries which operate in seven European countries, each subsidiary supporting the network of franchisees in each country through the supply of products and services, except Sweden which operates an owned model. The principal activity of the franchise network itself is the delivery of time-sensitive, on-site hose replacement services.

Financial risk management objectives and policies

The company uses various financial instruments including cash, debtors and creditors that arise directly from its operations.

The existence of these financial instruments exposes the group to a number of financial risks, which are described in more detail below. The main risks arising from the group's financial instruments are credit risk, liquidity risk and currency risk. The directors review and agree policies for managing each of these risks and they are summarised below. These policies have remained unchanged from previous years.

Credit risk

The company's principal credit risk relates to the recovery of amounts owed by group companies. In order to manage credit risk; the directors review and discuss outstanding amounts on a regular basis.

Liquidity risk

Current and projected working capital demand is reviewed in conjunction with existing financing facilities to determine cash requirements as part of the routine reporting process.

Currency risk

The company has exposure to foreign exchange risk due to its investments in companies operating in Europe. The company manages currency risk through forward planning and assessing on-going exposure to movements in foreign exchange.

Qualifying third party indemnity provisions

The company has arranged qualifying third party indemnity for all of its directors.

Pirtek Europe Limited

Directors' Report for the year ended 31 March 2018 *(continued)*

Directors

The directors of the company during the year were:

P J Dunlop
K Hardy
A S McNutt
A J Richards
M Thiehofe
A L Wiggins (resigned 4 July 2017)

Directors' responsibilities

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Pirtek Europe Limited

Directors' Report for the year ended 31 March 2018 (continued)

Auditors

All of the current directors have taken all the steps that they ought to have taken to make themselves aware of any information needed by the company's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

BDO LLP have expressed their willingness to continue in office and a resolution to reappoint them will be proposed.

On behalf of the Board

A S McNutt

Director

Date 30 August 2018

Pirtek Europe Limited

Independent auditor's report

TO THE MEMBERS OF PIRTEK EUROPE LIMITED

Opinion

We have audited the financial statements of Pirtek Europe Limited ("the Company") for the year ended 31 March 2018 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where;

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Pirtek Europe Limited

Independent auditor's report (*continued*)

Other Information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and director's report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Pirtek Europe Limited

Independent auditor's report (*continued*)

Responsibilities of Directors

As explained more fully in the directors' report, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at:

<https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Pirtek Europe Limited

Notes forming part of the financial statements for the year ended 31 March 2018

1 Accounting policies

Basis of preparation of financial statements

Pirtek Europe Limited is a company incorporated and domiciled in the United Kingdom under the Companies Act. The address of the registered office is given on the contents page. The nature of the company's operations and its principal activities are set out in the strategic report on pages 1 to 2.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS 102), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland, and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 2).

Consolidated financial statements

The financial statements contain information about Pirtek Europe Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken advantage of the exemption conferred by section 400 of the Companies Act 2006 not to produce consolidated financial statements as it is included in the consolidated financial statements of its ultimate parent company, Fast Pressure I Limited. These financial statements therefore present information about the company as an individual undertaking and not about its group.

FRS 102 – reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 for qualifying entities:

- Section 3 Financial Statement Presentation paragraph 3.17(d) and Section 7 Statement of Cash Flows not to prepare a statement of cash flows;
- Section 4 Statement of Financial Position paragraph 4.12(a)(iv) not to prepare a reconciliation of the number of shares outstanding at the beginning and end of the year; and;
- Section 33 Related Party disclosures paragraph 33.7 not to disclose key management personnel compensation in total.

The company's shareholders have been notified in writing about, and do not object to the use of, the disclosure exemptions. The company's results are included in the publicly available consolidated financial statements of Fast Pressure I Limited and these financial statements may be obtained from Companies House.

The following principal accounting policies have been applied:

Turnover

Turnover represents management charges to subsidiary undertakings and is stated net of value added tax.

Tangible Fixed Assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Pirtek Europe Limited

Notes forming part of the financial statements for the year ended 31 March 2018 (continued)

1 Accounting policies (continued)

Depreciation

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method. The estimated useful lives range as follows:

Fixtures and fittings	-	5 years straight line
Plant and machinery	-	5 years straight line
IT systems	-	5 years straight line

Valuation of investments

Investments held as fixed assets are stated at cost less any provision for impairment in value.

Pension costs

Contributions to the group's defined contribution pension scheme are charged to profit or loss in the year in which they become payable.

Foreign currencies

Foreign currency transactions are translated into sterling using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Deferred taxation

Deferred balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits;
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met; and
- Where timing differences relate to interests in subsidiaries and the group can control their reversal and such reversal is not considered probable in the foreseeable future.

Deferred tax balances are not discounted.

Financial assets

Financial assets are initially measured at transaction price (including transaction costs) and subsequently held at cost, less any impairment.

Financial liabilities and equity

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form. Financial liabilities are initially measured at transaction price (including transaction costs) and subsequently held at amortised cost.

Pirtek Europe Limited

Notes forming part of the financial statements
for the year ended 31 March 2018 (continued)

1 Accounting policies (continued)

Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the balance sheet date and carried forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement.

Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

2 Judgements in applying accounting policies and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In preparing the financial statements the directors have identified the following key sources of estimation uncertainty:

- *Investments (see note 13)*

Determine whether there are indicators of impairment of the company's investments. Factors taken into consideration in reaching such a decision include the expected future financial performance of the asset.

- *Creditors and liabilities (see note 15)*

Liabilities are recognised at the balance sheet date and include amounts for accrued holiday pay, bonuses and legal costs. Although these amounts are reviewed on a regular basis and adjusted to reflect management's best current estimates, the judgemental nature of these items means that future amounts settled may be different from those provided.

3 Analysis of turnover

The turnover and loss before tax are attributable to the one principal activity of the company.

Analysis of turnover by destination is as follows:

	2018 £	2017 £
Europe	1,911,282	1,000,884

All turnover arises from management charges to the company's European subsidiary undertakings.

Pirtek Europe Limited

17 Financial instruments

The company's financial instruments may be analysed as follows:

	2018 £	2017 £
Financial assets		
Financial assets that are equity instruments measured at cost less impairment	12,550,389	9,170,580
Financial assets that are debt instruments measured at amortised cost	15,551,707	14,707,208
Financial assets that cash and cash equivalents	248,217	99,485
	<u>28,350,313</u>	<u>23,977,273</u>
Financial liabilities		
Financial liabilities measured at amortised cost	14,740,230	11,307,979

Financial assets that are equity instruments measured at cost less impairment comprise fixed asset investments in unlisted company shares.

Financial assets measured at amortised cost comprise other debtors and amounts due from group companies.

Financial liabilities measured at amortised cost comprise trade creditors, other creditors, amounts due to group companies and accruals.

The company's exposure to and management of credit risk, liquidity risk and currency risk are as follows:

Credit risk

The company's principal credit risk relates to the recovery of amounts owed by group companies. In order to manage credit risk, the directors review and discuss outstanding amounts on a regular basis.

Liquidity risk

Current and projected working capital demand is reviewed in conjunction with existing financing facilities to determine cash requirements as part of the routine reporting process.

Currency risk

The company has exposure to foreign exchange risk due to its investments in companies operating in Europe. The company manages currency risk through forward planning and assessing on-going exposure to movements in foreign exchange.

Pirtek Europe Limited

Notes forming part of the financial statements for the year ended 31 March 2018 (continued)

18 Share capital

	2018 £	2017 £
<i>Allotted, called up and fully paid.</i>		
3,861,486 (2017 - 3,861,486) 'A' ordinary shares of £1 each	3,861,486	3,861,486
683,473 (2017 - 683,473) 'B' ordinary shares of £1 each	683,473	683,473
	<hr/>	<hr/>
Total ordinary shares	4,544,959	4,544,959
	<hr/>	<hr/>
2,100,000 (2017 - 2,100,000) preference shares of 1 pence each	21,000	21,000
	<hr/>	<hr/>
	4,565,959	4,565,959
	<hr/>	<hr/>

The preference shares are redeemable at a sum equal to the issue price of £0.01 per share. Realisation of these shares will be on the completion of an agreement for the purchase of all the Ordinary shares or the acceptance of an offer as a result of which the offer becomes entitled or bound to acquire any part of such shares, as set out in the Articles of Association adopted by special resolution on 20 December 2002.

All ordinary shares rank *pari passu* except on a winding up where distribution of assets is completed on the basis of a formula as set out in the Articles of Association adopted by special resolution on 20 December 2002.

19 Contingencies

As at 31 March 2018, the company is party to a cross guarantee in respect of \$22,920,000 (£16,320,137), of borrowings owed by Fast Pressure II Limited to Madison Capital LLC of Chicago, Illinois U.S.A. This will become payable if Fast Pressure II Limited defaults. At the balance sheet date, and at the date that the reports were signed, Fast Pressure II Limited had fulfilled all of its obligations under the terms of the loan. The company does not expect to have to make any payments in respect of this guarantee.

Fast Pressure II Limited is a direct subsidiary of Fast Pressure I Limited (see note 21).

20 Related parties

The company has taken advantage of the exemption under FRS 102 section 33 paragraph 1A from disclosing transactions with wholly owned group entities.

21 Ultimate controlling party and immediate parent company

The company's immediate parent company is Pirtek Europe Holdings Limited, a company incorporated in the United Kingdom. Fast Pressure I Limited, also incorporated in the United Kingdom, is the ultimate parent company and the parent of both the smallest and largest groups of which the company's results are consolidated.

Copies of the consolidated financial statements of Fast Pressure I Limited are available from Companies House.

At 31 March 2018, Halifax Cayman Capital Partners III, L.P. is considered the ultimate controlling party.
