Notes to the Accounts
for the year ended 31 December 2014

1 Accounting policies

Basis of preparation of the accounts

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (FRSSE), effective April 2008, and all other applicable accounting standards, as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008). The accounts have been drawn up in accordance with the provisions of the Charities (Accounts and Reports) Regulations 2008 and the Companies Act 2006, and include the results of the charity's operations which are described in the Trustees' Report, all of which are continuing.

Insofar as the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008) requires compliance with specific Financial Reporting Standards other than the FRSSE then the specific Financial Reporting Standards have been followed where their requirements differ from those of the FRSSE.

Advantage has been taken of Section 396(5) of The Companies Act 2006 to allow the format of the financial statements to be adapted to reflect the special nature of the charity's operation and in order to comply with their requirements of the SORP.

The charity has taken advantage of the exemption in the FRSSE from the requirement to produce a cash flow statement.

The particular accounting policies adopted are set out below.

Accounting convention

The financial statements are prepared, on a going concern basis, under the historical cost convention

Incoming Resources

Incoming resources are accounted for on a receivable basis except as described under the 'Deferred Income' accounting policy all grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

Recognition of liabilities
