1. Accounting Policies

Basis of Preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS105 The Financial Reporting Standards applicable to the Micro-entities Regime and FRS 102 and the Statement of Recommended Practice, Accounting by Limited Liability Partnership.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have transferred to the buyer. Turnover from the rendering of services is recognized by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.
