## **Business Drive Consulting Limited**

### **Notes to the Abbreviated Financial Statements for the year ended 31 August 2013**

#### **1. Accounting Policies**

##### **1.1. Accounting convention**

The abbreviated financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

##### **Financial Instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

##### **1.2. Turnover**

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

##### **1.3. Tangible fixed assets and depreciation**

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment	-	25% Reducing balance basis
-------------------------------------	---	----------------------------

##### **1.4. Going Concern**

The accounts have been prepared under the going concern concept because the directors have agreed to provide sufficient funds to enable the company to continue trading and meets its liability as they fall due.
