## Directors' report

The director presents his report and the audited financial statements for the year ended 31 March 2004.

### Principal activities and review of activities

BBC Ventures Group Limited ("the Company") is the holding company for the BBC Ventures group of companies (the "Group") which seek to generate value from the BBC's skills, facilities and assets by exploiting business-to-business opportunities. The Group's main activities are in providing a complete range of equipment, facilities and services for use in programme making, broadcasting, channel management, and other technology services required by the media industry. The Company provides support to the subsidiaries in the Group.

On 4 June 2003, the Company acquired the entire issued share capital (1 £1 ordinary share) of BBC Vecta Limited from BBC Technology Holdings Limited for consideration of £1 of cash, and formally granted BBC Vecta Limited a loan of £1,274,000. On 31 March 2004, the Company subscribed to a further 3,000,000 shares in BBC Vecta Limited in consideration of £3,000,000 of cash. The Company also formally granted a further loan of £2m to BBC Vecta Limited in order to give it a more stable base of funding.

On 27 August 2003, the Company acquired the entire issued share capital of BBC Resources Limited (51,000,001 £1 ordinary shares) from BBC Commercial Holdings Limited in consideration of cash. On the same date, the Company issued 51,000,001 £1 ordinary shares in the capital of the Company (which were issued following an increase in the authorised share capital of the Company from £73,001,001 to £124,000,003) to BBC Commercial Holdings Limited in consideration of cash.

### Future Developments

At the end of the financial year it was decided to scale back the activities of the Company.

Subsequent to the year end, on the 28<sup>th</sup> July 2004, a decision was taken to terminate the operations of BBC Vecta.

### Results

The results for the year are shown on page 8. The directors declared and paid a dividend to its shareholder, BBC Commercial Holdings Limited, of £3,500,000 in March 2004.

### Directors and directors' interests

The directors who served during the year were as follows:

Name	Date of appointment	Date of resignation
Roger Flynn	21 October 2002	31 March 2004
Pam Masters	25 February 2003	30 April 2004
David Moody	25 February 2003	12 December 2003
Mark Popkiewicz	25 February 2003	30 April 2004
Michael Southgate	25 February 2003	30 April 2004
John Smith	5 April 2004	
Ann Wilson	25 February 2003	23 March 2004

## **Directors' report (continued)**

No director had any interest in the share capital of the Company as at 31 March 2004. No rights to subscribe for shares or debentures of the Company or any other company within the BBC group were granted to any of the directors or their immediate families, or exercised by them, during the financial period.

### **Payment to creditors**

It is the Company's policy to comply with the CBI prompt payment of suppliers, provided that the supplier is complying with the relevant terms and conditions of its contract. The Group monitors compliance against the terms of this code.

Trade creditor days of the Company at 31 March 2004, calculated in accordance with the requirements of the Companies Act 1985, were 3 days (2003 0 days). This represents the ratio, expressed in days, between the amounts invoiced to the Company in the year by its (non-BBC) suppliers and the amounts due, at the year end, to trade creditors falling due for payment within one year. The Company's standard trade settlement terms are 28 days following the month of invoice.

### **Employee participation**

There is a comprehensive structure of liaison meetings, at all levels, with recognised trade unions. A two way consultative body between the BBC management and employees has been established. Known as the BBC Forum, and introduced in May 1998, it promotes a two way communication and debate between managers and staff. Under this initiative elected individuals put forward the views of BBC staff to management on a regular basis and receive direct feedback on issues which affect the future of both the employees and the Group. The Group's staff are represented on the Forum at both management and employee level.

### **Equal opportunities**

The Group is committed to equal opportunities for all irrespective of race, colour, creed, ethnic or national origin, gender, marital status, sexuality, disability or age.

Recruitment, training and promotion are based on the requirements of the job. Ethnic and gender targets have been set with the aim of ensuring that the Group's workforce reflects the UK population as far as possible and are supported by a number of equal opportunity initiatives.

### **Training and development**

The Group has a comprehensive training plan, which provides for in-house and external training programmes, covering job-specific, skill enhancement development courses.

### **Disabled persons**

Disabled persons are fully and fairly considered for vacancies arising within the Group and are given equal opportunities in relation to training, career development and promotion.

Existing employees who become disabled are retained in employment wherever possible, after the provision of any necessary rehabilitation or training.

### **Charitable and political donations**

The Company does not make political donations. During the year it made no charitable donations (2003 £9,150).

## Directors' report (continued)

### The environment

The Group does not operate in industries where there is potential for serious industrial pollution. However, it recognises its responsibility to be aware of, and take steps to control and minimise, any damage its business might cause to the environment.

### Corporate governance

As a wholly owned subsidiary of the BBC, the Group fully supports the recommendations of the Combined Code. Disclosure of how the BBC complies with the requirements of the Combined Code is given in its annual report and consolidated accounts, which may be obtained from The Secretary, BBC, Media Centre, Media Village, 201 Wood Lane, London, W12 7TQ.

### Auditors

KPMG LLP were appointed as auditors by the directors during the year. In accordance with Section 384 of the Companies Act 1985, a resolution is to be proposed at the forthcoming annual general meeting for the re-appointment of KPMG LLP as auditors of the Company.

## **Statement of directors' responsibilities**

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

## Independent auditors' report to the members of BBC Ventures Group Limited

We have audited the financial statements on pages 8 to 18.

This report is made solely to the Company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 6, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the Company is not disclosed.

### Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Group's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Company as at 31 March 2004 and of the loss of the Company for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

## Statement of accounting policies

This section explains the Group's principal accounting policies which have been applied consistently throughout the year and which are set out below.

### Basis of accounting

The financial statements are presented under the historical cost accounting convention, and in accordance with the Companies Act 1985 and applicable standards in the United Kingdom.

### Basis of preparation

The financial statements have been prepared on the going concern basis, in accordance with applicable accounting standards in the United Kingdom, in accordance with the Companies Act 1985, and under the historical cost accounting convention.

The Company is a wholly owned subsidiary of BBC Commercial Holdings Limited, which in turn is a wholly owned subsidiary of the British Broadcasting Corporation, whose accounts are publicly available. It has therefore taken advantage of the exemption available under Section 228 of the Companies Act 1985 not to prepare consolidated accounts, and of the exemption available under FRS 1 not to prepare a cash flow statement. The results disclosed are therefore those of the Company only.

At 31 March 2004, the Company had net current liabilities of £6.585 million (2003 £0.087 million net current assets). The Company has received a letter of support from its parent, BBC Commercial Holdings Limited, which shows intent to provide financial support to the Company in order that it can continue to trade and meet its liabilities as they fall due during the next financial year. The directors have therefore drawn up the accounts on a going concern basis.

### Comparatives

The Company was incorporated on 18 June 2002. The comparative period therefore represents the 287 day period from 18 June 2002 to 31 March 2003.

### Turnover

Turnover, which excludes value added tax and trade discounts, represents income from management fees levied on the subsidiary companies of BBC Ventures Group Limited.

### Pension costs

Employees are members of the BBC's pension schemes. The BBC Group operates both defined benefit and defined contribution schemes for the benefit of employees. The Company has adopted FRS17 *Retirement Benefits* in full.

### Defined benefit schemes

The defined benefit schemes provide benefits based on final pensionable pay. The pension assets of the BBC Main Scheme, to which the majority of employees belong, are held separately from those of the BBC Group.

The Company makes use of the provisions within FRS 17 and accounts for the scheme as if it were a defined contribution scheme. This is because it is unable to identify its share of the underlying assets and liabilities of the scheme on a reasonable and consistent basis. The expenditure charge for the Company therefore represents the contributions payable in the year. These contributions benefit from the surplus in the scheme and are lower than the regular cost.

### Operating leases

Operating lease rentals are written off on a straight line basis over the term of the lease.

### Investments

Investments are recorded on the balance sheet at cost less provision for any impairment in value.

## Notes to the accounts

### 1 (Loss)/profit on ordinary activities before interest and taxation

The (loss)/profit on ordinary activities before interest and taxation is stated after charging/(crediting):

## Notes to the accounts (continued)

### 3 Pensions

Many of the Company's employees are members of the BBC's pension schemes, The BBC Pension Scheme (a defined benefit scheme) and the Group Personal Pension Scheme (a defined contribution scheme).

#### BBC Pension Scheme

The BBC Group Pension Scheme provides salary related pension benefits on a defined benefit basis from assets held in separate, trustee-administered, funds.

The scheme is subject to independent valuation by a professionally qualified actuary at least every three years, on the basis of which the actuary certifies the rate of employer's contributions. These, together with the specified contributions payable by employees and proceeds from the scheme's assets, are expected to be sufficient to fund the benefits payable under the scheme. The most recent full actuarial valuation of the scheme was prepared as at 1 April 2002 by Watson Wyatt, consulting actuaries, using the projected unit method. At 1 April 2002, the actuarial value of the assets was sufficient to cover 109% of the benefits due to members, after allowing for expected future increases in earnings.

Employer contributions have remained steady for a number of years. However, in order to maintain the financial health of the scheme, it has been agreed with the trustees, that employer and employee contributions will rise to 6.0% by 2005/06 and 2006/07 respectively. The position will be reviewed again in 2005 after a new formal actuarial valuation.

Contribution rates	Projection					
	2007	2006	2005	2004	2003	2002
	%	%	%	%	%	%
Employer	6.0	6.0	5.5	5.0	4.5	4.5
Employee	6.0	5.5	5.0	4.5	4.5	4.5

The Company, following the provisions within FRS 17, accounts for the scheme as if it were a defined contribution scheme. This is because it is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The pension cost charged for this scheme therefore represents contributions payable by the Company to the scheme and the costs amounted to £32,821 in the year (2003 £23,000). The 1 April 2002 full actuarial valuation was updated for FRS17 purposes to 31 March 2004 by Watson Wyatt, consulting actuaries. This valuation identified a deficit on the scheme at 31 March 2004 (2003 deficit).

Additional disclosure about the scheme and its financial position under FRS 17 is provided in the BBC Annual Report and Accounts that can be obtained from the BBC Secretary at BBC Governance and Accountability, MC3D5, Media Centre, Media Village, 201 Wood Lane, London, W12 7TQ.

#### Group Personal Pension Scheme and other schemes

The Group also operates its own defined contribution pension schemes, including those operated in the USA. The assets of the defined contribution scheme are held separately from those of the Group in independently administered funds. The pension cost for this scheme represents the contributions payable during the year by the Company and totalled £42,000 (2003 £40,000).
