Notes to the abbreviated accounts

For the year ending 31 March 2010

1 Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The accounts have been drawn up on the going concern basis. Of the company's liabilities, £1,386 is owed to the directors. If the going concern basis were not appropriate, adjustments would have to be made to reclassify fixed assets as current assets and long term liabilities as current liabilities and to provide further liabilities which may arise. No adjustments will be necessary to reduce the value of current assets as these are already stated at their recoverable amount.

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.
