1. Accounting policies

Basis of measurement and preparation of accounts

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards.

Turnover policy

Turnover represents sales to external customers at invoiced amounts less VAT. Turnover is recognized when the risks and rewards of owning the goods has passed to the customer which is generally on delivery.

Tangible fixed assets depreciation policy

Depreciation is provided at the following annual rates in order to write off each asset, except freehold land, over its estimated useful life: Freehold Buildings – 2% per annum straight line

Other accounting policies

Stock Stock is valued at the lower of cost and net realisable value. Cost is based on the cost of purchase on a first in, first out basis. Net realizable value is based on estimated price less additional costs to completion and disposal. Deferred tax Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Dividends Equity dividends are recognised when they become legally payable. Final equity dividends are recognised when approved by the shareholders at an annual general meeting. Financial Liabilities and Equity Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.
