NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items that are considered material in relation to the company's financial statements.

Basis of preparation

These financial statements are prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU (IFRS), but makes amendments where necessary in order to comply with Companies Act 2006 and sets out below where the FRS 101 disclosure exemptions have been taken.

Transition to FRS 101

The company has applied FRS 101 for the first time for the year ended 30 June 2016 with comparative information for the year ended 30 June 2015 also prepared under FRS 101. The accounting policies applicable to the company from 1 July 2014 are set out below. This involved preparation of an opening FRS 101 balance sheet as at 1 July 2014, which is the company's date of transition to FRS 101 reporting.

The FRS 101 figures have been prepared in accordance with IFRS standards and interpretations as in force at 30 June 2016.

The transition to FRS 101 has not affected the company's financial position and financial performance, but required reclassifications within the balance sheet and the statement of comprehensive income to comply with the presentation requirements.

The company is a wholly owned subsidiary of Diageo plc and is included in the consolidated financial statements of Diageo plc which are publicly available.

The company has taken advantage of the following exemptions from the requirements of IFRS in the preparation of these financial statements, in accordance with FRS 101:

- a cash flow statement and related notes;
- comparative period reconciliations for share capital;
- disclosures in respect of transactions with wholly owned subsidiaries;
- the effects of new but not yet effective IFRSs.

The company has taken advantage of the exemption under IAS 27, 'Consolidated and separate financial statements', from the requirement to prepare consolidated financial statements as it and its subsidiaries are included in the consolidated financial statements of its parent, Diageo plc. These financial statements are separate financial statements.

Financial assets and liabilities

Amounts owed to and from other group companies are reported at initial cost, subject to impairment, as they are repayable on demand.
