Notes to the Abbreviated Accounts for the period ended 31 March 2013

1  Accounting Policies

     Basis of measurement and preparation of accounts
     The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

     Turnover policy
     Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

     Tangible assets depreciation policy
     Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

     Office equipment 25.0% reducing balance
     Motor vehicles 25.0% reducing balance

     Other accounting policies
     Pensions
     The pension costs charged in the financial statements represent the contribution payable by the company during the period.

     Foreign currencies
     Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the date of the transactions. All differences are taken to the Profit and Loss account.

     Other information
     The company made purchases valued at £11,654 from Iterign Limited, a company of which Gianluca de Arcangelis is a director.
