This annual progress report provides a summary of the progress of the liquidation to date. At Appendix A, I have provided an account of my Receipts and Payments for the period to the year ended 5 May 2011.

Realisation of Assets

Book Debts Subject to Factors

As you are aware from the director's statement of affairs and the report presented at the initial creditors meeting held on 6 May 2010, the majority of the Company's book debts were subject to a factoring agreement with Bibby's Financial Services Limited (Bibby's).

According to the Company's records the factored debts had an estimated to realise value of £68,000 and the debt due to Bibby's was estimated to be £60,000, leaving a surplus of £8,000 for the benefit of the liquidation.

I can report that after the conclusion of the debt collection exercise Bibby's were unable to recover its outstanding indebtedness in full and accordingly, no surplus was available to the liquidation from this source.

Cash at Bank

According to director's statement of affairs the sum of £1,000 was estimated to be realised from the Company's former bank account. I can advise that only £2 has been realised from this source.

Investigations

In accordance with the Company Directors Disqualification Act 1986 I have submitted a report on the conduct of the Directors of the Company to the Department of Business Innovation and Skills (BIS). As this is a confidential report, I am not able to disclose the contents.

Outcome for Creditors

Secured Creditors

The Company granted a Debenture to Bibby's creating a fixed and floating charge over the Company's assets. At the date of the liquidation the indebtedness due to Bibby's was estimated to be £60,000. I can advise that due to the lack of realisations Bibby's were unable to recover its outstanding indebtedness in full.

Preferential Creditors

There are no preferential creditors in this case

Unsecured Creditors

According to the directors statement of affairs the Company's unsecured creditors were estimated to be £240,000 I can advise that I have received and admitted claims totalling £154,375 from the unsecured creditors

I can confirm that realisations are insufficient to declare a dividend to the unsecured creditors

Notice that no Dividend will be Declared

In the context of the information herein presented, Notice is hereby given pursuant to Rule 4 186 of The Insolvency Rules 1986 that no dividend will be declared in respect of any class of creditor in this matter for the reason that the funds realised have already been distributed or utilised in discharging the costs of the liquidation In this connection, the particulars prescribed by Rule 11 7 of the Insolvency Rules 1986 are contained within this report and accompanying receipts and payments account

1 Policy

Detailed below is XL's policy in relation to

Staff allocation and the use of subcontractors

Professional advisors

Disbursements

1.1 Staff allocation and the use of subcontractors

Our general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case

The constitution of the case team will usually consist of a Partner, Manager, Senior and Assistant. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and on larger, more complex cases, several Seniors/Assistants may be allocated to meet the demands of the case.

With regard to support staff, we would advise that time spent by cashiers in relation to specific tasks on an assignment is charged. Only if there is a large block of time incurred by a member of the secretarial team, e.g. report compilation and distribution, do we seek to charge and recover our time in this regard.

We have not utilised the services of any subcontractors in this case.

1.2 Professional advisors

On this assignment we may have used the professional advisors listed below. We have also indicated alongside, the basis of our fee arrangement with them, which is subject to review on a regular basis.

Name of Professional Advisor	Basis of Fee Arrangement
IRS Insurance	Fixed Fee

Our choice was based on our perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of our fee arrangement with them.

1.3 Disbursements

Category 1 disbursements do not require approval by creditors. The type of disbursements that may be charged as a Category 1 disbursement to a case generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, room hire and document storage. Also chargeable will be any properly reimbursed expenses incurred by personnel in connection with the case.

Category 2 disbursements do require approval from creditors. These disbursements can include costs incurred, which relate to payments due to associated companies for the provision of services to the office holder. On this case no costs have been incurred.
