NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 SEPTEMBER 2010

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts. The company policy is to recognise licensing revenue at the date of invoice and not apportioned over the duration of the licence since there are negligible ongoing costs incurred

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Hardware	Straight line over 3 years
Office equipment	Straight line over 3 years

1.4 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account

1.5 Going concern

The financial statements are prepared on the going concern basis. The use of the going concern basis of accounting is appropriate because there are no material uncertainties related to events or conditions that may cast significant doubt about the ability of the company to continue as a going concern
