WINKWORTH MACHINERY LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MAY 2017

The directors present their report and financial statements of Winkworth Machinery Limited (Company registration no. 02852052) for the year ended 31 May 2017.

Principal Activities

The principal activities of the Company during the year were that of the manufacture of mixing machinery and merchanting of used machinery.

Results and Dividends

The results of the Company for the year are set out on page 5.

The directors do not propose a dividend at the year end.

Directors

The following directors have held office since 1 June 2016:

G Jamieson
T Simpson
B Soeteman

Auditor

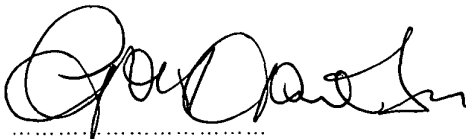

RSM UK Audit LLP have indicated their willingness to be reappointed for another term.

Statement of disclosure to auditor

So far as the directors are aware, there is no relevant audit information of which the auditor is unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the auditor is aware of that information.

The report has been prepared in accordance with the provisions applicable to companies entitled to the small company exemption.

On behalf of the board

G Jamieson
Director

..... 2018

WINKWORTH MACHINERY LIMITED

DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WINKWORTH MACHINERY LIMITED

Opinion on financial statements

We have audited the financial statements on pages 5 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 May 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at <http://www.frc.org.uk/auditscopeukprivate>

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements and, based on the work undertaken in the course of our audit, the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the directors' report.

Respective responsibilities of directors and auditor

As more fully explained in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

WINKWORTH MACHINERY LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2017

1. Accounting policies

Company information

Winkworth Machinery Limited is a company limited by shares incorporated in England and Wales. The registered office is Unit 2, Stroudley Road, Basingstoke, Hampshire, RG24 8FW.

The principal activities of the Company during the year continued to be that of the manufacture of mixing machinery and merchanting of used machinery.

Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are presented in sterling, which is also the functional currency of the Company.

The financial statements have been prepared in accordance with the historical cost convention. The principal accounting policies adopted are set out below.

Reduced disclosures

In accordance with FRS 102, the Company has taken advantage of the exemptions from the following disclosure requirements:

- Section 4 'Statement of Financial Position' - Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows' – Presentation of a Statement of Cash Flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' & Section 12 'Other Financial Instrument Issues' - Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income; and
- Section 33 'Related Party Disclosures'- Compensation for key management personnel.

Going concern

At the date of approving the financial statements of the company, the directors are sufficiently confident that the Company and the Group that it is part of has adequate resources for the company to continue in operational existence for the foreseeable future, being a period of at least 12 months from the date of approval of the financial statements.

This is based on projections for the forthcoming 12 month period from the date of signing these financial statements and based on the level of existing cash, overdraft facility, projected income and expenditure. These projections include assumptions that customers adhere to their agreed payment terms, and no new debt facilities are required.

The directors consider it reasonable that if the timing of customer payments were delayed, due to the company's increased focus on debtor collection and working capital management, including the timing of payments to suppliers, the company would be able to continue to operate as projected and within its current banking facilities.

During the year, the parent company's bank loan has been repaid, as per original agreement with the bank, on time and in full. In addition, since the year end £127,500 of the parent company loan notes have been settled in full (see note 18). The directors have been in discussions with the bank to further explore other financing options offered by the bank to support further growth and to safeguard cash flow fluctuations when and if needed. Based on the above the directors consider it appropriate to prepare the financial statements on a going concern basis.

WINKWORTH MACHINERY LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2017

1. Accounting policies (Continued)

Financial Instruments (Continued)

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Equity instruments

Equity instruments are recorded at the proceeds received, net of direct issue costs.

Taxation

The tax expense represents the sum of the current tax expense and deferred tax expense. Current tax assets are recognised when tax paid exceeds the tax payable.

Current and deferred tax is charged or credited to the profit or loss, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income, or equity.

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on the net basis or to realise the asset and settle the liability simultaneously.

Current tax is based on taxable profit for the year. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date. Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements. Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is recognised on income or expenses from subsidiaries, associates, branches and interests in jointly controlled entities, that will be assessed to or allow for tax in a future period except where the Group is able to control the reversal of the timing difference and it is probable that the timing difference will not reverse in the foreseeable future.

Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Retirement benefits

The Company operates a defined contribution scheme for the benefit of its employees. The amount charged to profit or loss is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments.

WINKWORTH MACHINERY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2017

1. Accounting policies (Continued)

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the balance sheet as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to the profit and loss account so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Rentals payable under operating leases, including any lease incentives received, are charged to income on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the lease asset are consumed.

Rent free periods or other incentives received for entering into an operating lease are accounted for as a reduction to the expense and are recognised, on a straight-line basis over the lease term.

Research and development expenditure

Expenditure on research and development is written off against profits as it is incurred.

Foreign exchange

Transactions in currencies other than the functional currency (foreign currency) are initially recorded at the exchange rate prevailing on the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the reporting date. Non-monetary assets and liabilities denominated in foreign currencies are translated at the rate ruling at the date of the transaction, or, if the asset or liability is measured at fair value, the rate when that fair value was determined.

All translation differences are taken to profit or loss.

2. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

The recoverability of stock is assessed on the basis of future assumptions and estimates of the timing of future events.

Origination and reversal of timing differences	(13,938)	590
Adjustments in respect of prior periods	(5,410)	(3,474)
Effect of tax rate on opening balance	(2,102)	(8,787)
Total deferred tax	<u>(21,450)</u>	<u>(11,671)</u>
Total tax on profit on ordinary activities	<u>(44,649)</u>	<u>(117,304)</u>
Factors affecting current tax charge for the year		
Profit on ordinary activities before taxation	<u>(11,073)</u>	<u>78,689</u>
Corporation tax in the UK of 20% (2016: 20%)	(2,215)	15,738
<i>Effects of:</i>		
Non deductible expenses	3,023	1,951
Adjustments to previous years (research and development reclaims)	(37,945)	(124,051)
Other tax adjustments	-	1,319
Deferred tax not recognised	(5,410)	(3,474)
Change in tax rates	(2,102)	(8,787)
Tax credit for the year	<u>(44,649)</u>	<u>(117,304)</u>

In the prior period, Finance Act 2015 was enacted and included legislation to reduce the main rate of corporation tax to 19% with effect from 1 April 2017, and by a further 1%, reaching 18% with effect from 1 April 2020. In the current period, Finance Act 2016 was enacted and included legislation to reduce the main rate by a further 1% reaching 17% with effect from April 2020. As this change was substantively enacted at the balance sheet date and no material amount is expected to unwind prior to 1 April 2020, deferred tax is recognised at 17% in the current period (2016: 18%).
