BARRHEAD SANITARY WARE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 31 DECEMBER 2016

1 Accounting policies

Company information

Barrhead Sanitary Ware Limited is a private company limited by shares incorporated in Scotland. The registered office is Wright, Johnston & Mackenzie Llp, 302 St. Vincent Street, Glasgow, Scotland, G2 5RZ.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £'000.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

This company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements:

- Section 4 'Statement of Financial Position' – Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows' – Presentation of a statement of cash flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues' – Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income;
- Section 26 'Share based Payment' – Share-based payment expense charged to profit or loss, reconciliation of opening and closing number and weighted average exercise price of share options, how the fair value of options granted was measured, measurement and carrying amount of liabilities for cash-settled share-based payments, explanation of modifications to arrangements;
- Section 33 'Related Party Disclosures' – Compensation for key management personnel.

The financial statements of the company are consolidated in the financial statements of Utopia Bathroom Group Limited. These consolidated financial statements are available from its registered office, Utopia House, Springvale Avenue, Springvale Business Park, Bilston, West Midlands, WV14 0QL.

1.2 Reporting period

The company's reporting period has been shortened to six months in order to be coterminous with the accounting period of the ultimate parent entity, Utopia Bathroom Group Limited.

The financial statements present the results of the company for the six month period ending 31 December 2016. The comparative information presented in the financial statements relates to the year ending 30 June 2016. Therefore, the comparative amounts are not entirely comparable.

1.3 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities, are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.4 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

4 Called up share capital

	31 December 2016 £'000	30 June 2016 £'000
Ordinary share capital Issued and fully paid		
4,508,835 Ordinary (voting) shares of £1 each	4,509	4,509
437,110 Ordinary (non-voting shares) of £1 each	437	437
	<u>4,946</u>	<u>4,946</u>

The company has in issue 325,000 preference shares of £1 each held by Barrhead International Limited, which are included in creditors: amounts falling due after more than one year.

Under the terms of the preference share subscription agreement, the company is liable to pay a cumulative preference net dividend of the preference shares of 7.5 pence per annum per share. The dividends are payable half yearly on 30 April and 31 October in each year, ranking in priority to any dividend paid on any other class of shares. The entitlement of the preference shareholders is however subject to the limitation that dividends paid shall not exceed 49.9% of the income of the company available for distribution.

The cumulative redeemable preference shares were due to be redeemed in four equal tranches at par (together with all arrears and accruals of dividends) on each of the following dates:

- 31 January 1998
- 31 July 1998
- 31 January 1999
- 31 July 1999

The shares will be redeemed when sufficient distributable reserves are available in accordance with the Companies Act 2006 and Articles of Association.

The company has the option to redeem the preference shares at par, at any time. The preference shareholders also have the option to convert their preference shares into ordinary, non-voting shares at any time. Consequently, under FRS 102, these shares have been reclassified to other debt.

On a winding up, the surplus assets of the company shall be applied as follows:

- in paying to the holders of the preference shares £1 for each share with any arrears or accruals of the preference dividend;
- the balance of the surplus assets shall be distributed equally amongst the holders of the voting shares and the non-voting shares in proportion to the number of shares held pro rata to the capital paid thereon.

The non-voting shares have no voting rights except in relation to the declaration of an ordinary dividend, on winding up or a valuation of their class of shares.

The preference shareholders can vote on certain matters if their dividend is in arrears or their shares have not been redeemed when due for redemption.
