The notes on pages 6 to 8 form part of these financial statements.
1. Accounting policies

(a) Accounting convention
The financial statements have been prepared under the historic cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP 2005) issued in March 2005, UK Accounting Standards and the Charities Act 2011.

(b) Fund accounting
General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income and gains are allocated to the appropriate fund and are accounted for in the period in which the charity is entitled to receipt.

(c) Incoming resources
All incoming resources are included in the SOFA when the charity is legally entitled to the income and the amount can be qualified with reasonable accuracy.

(d) Resources expended
All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity. Governance and administration costs, including legal and audit fees are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Awards are payments made to third parties in the furtherance of the charitable objectives of the trust. Provisions for awards are made when the intention to make an award has been communicated to the recipient but there is uncertainty about the timing of the award.

(e) Irrecoverable VAT
Irrecoverable VAT is charged against the category or resources expended for which it was incurred.
