INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF NEWLANDS MANAGEMENT LIMITED

YEAR ENDED 31 AUGUST 2014

We have audited the financial statements of Newlands Management Limited for the year ended 31 August 2014. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor
As explained more fully in the Directors' Responsibilities Statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements
An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements
In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 August 2014 and of its loss for the year then ended;

- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and

- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006
In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

NEWLANDS MANAGEMENT LIMITED
NOTES TO THE ABBREVIATED ACCOUNTS
YEAR ENDED 31 AUGUST 2014

1. ACCOUNTING POLICIES

   Basis of accounting

   The financial statements have been prepared under the historical cost convention, and in
   accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

   Turnover

   The turnover shown in the profit and loss account represents amounts invoiced during the year.

   Income recognition

   Income is recognised to the extent that there is a contractual right to consideration.

   Going concern

   The financial statements are prepared on the basis that the fundamental concept of going concern
   is applied. The principal factor in this consideration is the continued support of the
   shareholders. The directors consider that the going concern concept continues to be appropriate
   and this has therefore been applied. If the going concern basis proves not to be appropriate,
   adjustments would have to be made to reduce the balance sheet value of assets to their
   recoverable amount and to provide for any further liabilities that might arise.

2. SHARE CAPITAL

   Allotted, called up and fully paid:
