for the Year Ended 31st December 2012

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents commissions earned on life and pension policies and investment arrangements completed during the year, where the company is entitled absolutely to the commission. Where policies are arranged on indemnity terms, commission is credited to the profit and loss account only after making due provision for commission which could be recoverable by insurance companies in the event that policies are cancelled in the future.

Turnover is attributable to one continuing activity, that of insurance and investment advisors.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Fixtures and fittings	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- 25% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where the available evidence indicates that reversal will occur.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
