Statement of Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit or loss of the company for the financial year. In preparing those financial statements , the directors are required to :

- select suitable accounting policies and then apply them consistently ;
- make judgements and estimates that are reasonable and prudent ;
- state whether applicable accounting standards have been followed , subject to any material departures disclosed and explained in the financial statements ;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.
