2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The presentation currency is £ sterling.

Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Buildings	5% straight line basis
Plant and machinery	15% reducing balance
Computer equipment	33% straight line basis

Notes to the Financial Statements for the Year Ended 31 March 2019

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first-in, first-out (FIFO) method.

Biological assets, living plants and animals are included at the lower of cost and estimated selling price less costs to sell. Cost is determined on a first in first out basis, net realisable value is based on estimated selling price, less any costs which may arise on realisation. Purchased livestock is valued at cost of purchase plus costs of rearing to the valuation date or to maturity, if earlier. Livestock which is homebred, farm reared or acquired some time before maturity and matured on the farm is valued at deemed cost at the following rates: cattle and sheep 60% and 75% of open market value, herds and flocks on herd basis.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 4 (2018 - 4).
