## **Statement of Directors' Responsibilities in respect of the Directors' Report and the Financial Statements**

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

## Notes

*(forming part of the financial statements)*

### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

#### *Basis of preparation*

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

#### *Going concern*

The Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

#### *Cash flow statement*

The Company is exempt from the requirement of Financial Reporting Standard No 1 (revised) to prepare a cash flow statement as 100% of the voting rights of the Company's shares are controlled by Dechra Pharmaceuticals PLC. The consolidated financial statements of Dechra Pharmaceuticals PLC, which include the Company, are publicly available.

#### *Taxation*

The charge for taxation is based on the profit for the year and takes into account taxation deferred (or accelerated) because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse and is provided in respect of all timing differences which have arisen but not reversed by the balance sheet date except as otherwise required by FRS 19 "Deferred tax".

#### *Related parties*

By virtue of the Company being a wholly owned subsidiary included in the consolidated financial statements of a larger EU group, the Company is exempt under Financial Reporting Standard 8 from disclosing transactions or balances with entities which are part of the group that qualify as related parties.

#### *Financial guarantee contracts*

Where the Company enters into financial guarantee contracts to guarantee the indebtedness of other group companies, the Company considers these to be insurance arrangements, and accounts for them as such. In this respect, the Company treats the guarantee contract as a contingent liability until such time as it becomes probable that the Company will be required to make a payment under the guarantee.

### 2 Profit on ordinary activities before taxation

No directors received any emoluments in respect of services as a director of the company during the current or preceding financial year. There were no employees other than directors in either period.

Auditor's remuneration has been borne by the ultimate parent undertaking in both periods.
