## **DIRECTORS' REPORT**

The directors present their annual report and the audited financial statements for the year ended 30 June 2015.

### **PRINCIPAL ACTIVITY, REVIEW OF BUSINESS AND FUTURE PROSPECTS**

The principal activity of the company continues to be the provision of hire purchase finance.

The directors are satisfied in the results for the year. The company has not written any new business in the year although it continues to finance and collect its existing arrangements.

The company qualifies as small in accordance with the provisions of S382(3) of the Companies Act 2006 and is therefore exempt from the requirement to present an enhanced business review and from preparing a Strategic Report.

On the 14 July 2014 the parent company, Jerrold Holdings Limited, purchased the 10 ordinary shares owned by P. Heywood and gained full control of Heywood Finance Limited.

### **RESULTS AND DIVIDENDS**

The audited financial statements for the year ended 30 June 2015 are set out on pages 6 to 13. The profit for the year after tax was £31,782 (2014: £66,761).

The directors do not recommend the payment of a dividend (2014: £nil).

On the 14 July 2014 the parent company, Jerrold Holdings Limited, purchased the 10 ordinary shares owned by P. Heywood and gained full control of Heywood Finance Limited.

### **STATEMENT OF GOING CONCERN**

As set out in the Directors' Responsibilities Statement, in preparing these financial statements the directors are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors of the company have considered the company's forecast funding and liquidity positions and applied reasonable sensitivities thereon in order to confirm that the preparation of the company's financial statements on a going concern basis is appropriate.

On the basis that the company has adequate funding as detailed above, together with its current performance and financial position, the directors have a reasonable expectation that the company will have sufficient funding and liquidity facilities to ensure that it will continue in operational existence for the foreseeable future. Accordingly the directors of the company have adopted the going concern basis in preparing financial statements.

### **DIRECTORS**

The directors of the company are set out on page 1.

### **DIRECTORS' INDEMNITIES**

The company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the year and remain in force at the date of this report.

## DIRECTORS' REPORT (continued)

### AUDIT INFORMATION

In the case of each of the persons who are directors of the company at the date when this report is approved:

- as far as each of the directors is aware, there is no relevant audit information of which the company's auditor is unaware; and
- each of the directors has taken all the steps that he ought to have taken as a director to make himself aware of any audit information and to establish that the company's auditor is aware of that information.

This statement is given and should be interpreted in accordance with the provisions of S418(2) of the Companies Act 2006.

### AUDITOR

Deloitte LLP have expressed their willingness to continue in office as auditor and a resolution to re-appoint them will be proposed at the forthcoming Annual General Meeting.

Approved by the Board of Directors  
and signed on behalf of the Board

## **DIRECTORS' RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HEYWOOD FINANCE LIMITED**

We have audited the financial statements of Heywood Finance Limited for the year ended 30 June 2015 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from preparing a Strategic Report or in preparing the Directors' Report.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2015

### 1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable law and United Kingdom accounting standards. The particular accounting policies adopted are described below. They have been applied consistently throughout the current and prior year.

#### **Accounting convention**

The company prepares its financial statements under the historical cost convention and on the going concern basis. The directors continue to adopt the going concern basis as disclosed in the Directors' report - Statement of Going Concern.

As permitted by FRS 1 (Revised 1996) "Cash flow statements", the company has not produced a cash flow statement as it is a wholly owned subsidiary undertaking of Jerrold Holdings Limited which has produced consolidated financial statements that are publicly available.

#### **Taxation**

UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the Balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is not recognised when fixed assets are revalued unless by the balance sheet date there is a binding agreement to sell the revalued assets and the gain or loss expected to arise on sale has been recognised in the financial statements. Neither is deferred tax recognised when fixed assets are sold and it is more likely than not that the taxable gain will be rolled over, being charged to tax only if and when the replacement assets are sold. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

#### **Turnover and cost of sales**

Turnover consists of interest recoverable on loans. Interest income is recognised on an accruals basis. Other finance related fees receivable are credited to income when the related service is performed. Cost of sales includes the direct costs of the financing, including commissions payable.

#### **Provisions for bad and doubtful debts**

Specific provisions are made when the directors consider that the recoverability of the advance is in part or in whole doubtful. Provisions for bad and doubtful debts, along with bad debt write-offs, are charged to operating profit as part of administrative expenses.

## NOTES TO THE FINANCIAL STATEMENTS (continued)

### For the year ended 30 June 2015

#### 2. TURNOVER

Turnover is wholly derived from within the UK and relates to the principal activity of the company.

Aggregate instalments received in respect of hire purchase contracts amounted to £26,817 (2014: £172,934).

#### 3. STAFF COSTS

The company had no employees and paid no director's emoluments during either year.

Directors' emoluments are borne by a fellow subsidiary company of Jerrold Holdings Limited; Blemain Finance Limited.

#### 4. FINANCE CHARGES

	2015 £	2014 £
<i>Interest payable and similar charges</i>
