#### Directors of the Company

The directors who held office during the year and up to the date of signing the financial statements were as follows:

<b>Directors</b>	<b>Appointed</b>	<b>Resigned</b>
N C Smith		
M Egan	1 July 2018	
A H Lentink	1 March 2018	
Vodafone Enterprise Corporate Secretaries Limited	31 May 2017	
Vodafone Corporate Secretaries Limited		31 May 2017
A G May		1 January 2018
T Sayed		1 May 2018

All Directors benefit from qualifying third party indemnity provisions in place during the financial year and at the date of this report.

#### Financial Risk Management

The Company follows the board-approved policies of its parent, Vodafone Group Plc, to manage its principal financial risks which include currency risk, credit risk and liquidity risk.

The treasury function of the Vodafone Group provides a centralised treasury service to the Company, and follows a framework of policies and guidelines authorised and reviewed annually by the Vodafone Group Plc Board.

The other financial risks the directors consider relevant to the Company are credit risk and liquidity risk. These risks are mitigated by the fact that the counterparty of the majority of debtor balances are with other Vodafone Group companies who are considered able to repay their debts.

The Group's internal auditors review the internal control environment regularly. There has been no significant change during the financial year to the types of financial risks faced by the Company, or the Company's approach to the management of those risks.

#### Statement of Directors' Responsibilities

The directors are responsible for preparing directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 ('FRS 102').

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

#### Statement of Directors' Responsibilities (continued)

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, including FRS 102 have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Indemnification of directors

In accordance with the Company's articles of association and to the extent permitted by law, the directors may be granted an indemnity from the Company in respect of liabilities incurred as a result of their office. In respect of those matters for which the directors may not be indemnified, Vodafone Group Plc maintained a directors' and officers' liability insurance policy throughout the financial year. This policy is renewed annually in August. Neither the Company's indemnity nor the insurance provides cover in the event that the director is proven to have acted dishonestly or fraudulently.

#### Events occurring after balance sheet date

The Company will closely monitor progress in relation to the impending exit of Great Britain from membership of the European Union and regularly review the impact as part of the Group's overall strategy.
